Excerpt from *The Sanctified Life* Regeneration implanted spiritual life in the soul cleansed the nature from personal sin and guilt gave a title to Heaven and communicated power over the world the esh and the devil but neither the Bible or experience say it made us holy It is a pity that some people do not study the meaning of the word regenera ate The trouble to day is that it is loaded down with definitions that do not belong to the word for some have made it mean anything and everything in order to Leave No room for a second work of grace It is well to remember that a new heart is one thing and a pure heart another They are no About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Sanctified Life Michael H Yeager,2025-12-18 This book is not written for the curious the casual or the half committed *The Sanctified Life* is a clarion call to believers who are hungry for the living God not religious form those who desire the fire of Heaven not the ashes of yesterday s sacrifice From Genesis to the Book of Acts Dr Michael H Yeager reveals an unbroken biblical pattern when God sanctifies the sacrifice God answers by fire

Sanctification is not self improvement it is death to the old man separation unto God and total surrender to Christ Where that consecration exists the fire of God falls Drawing from over five decades of ministry deep KJV Scripture foundations and life tested revelation Dr Yeager exposes why so many altars remain cold why prayers go unanswered power is absent and holiness is redefined He brings the reader face to face with the truth God does not consume what He has not sanctified This book will confront comfortable Christianity strip away religious substitutes and lead you back to the altar where self is crucified and Christ alone is exalted You will discover Why sanctification always precedes manifestation Why God answers by fire in Scripture and still does today The difference between strange fire and holy fire Why the Holy Ghost falls on those who have died to self How a sanctified life becomes the dwelling place of God The Sanctified Life is not theory it is a summons A return to biblical holiness radical obedience and burning devotion to Jesus Christ This is where revival begins This is where power is restored This is where the fire of God falls If you are ready to leave the outer court forsake the old life and become an altar God can consume this book was written for you
