

COLORWAY THEME 2: WARM & VIBRANT

At the end of the year, I decided to create a color palette for my home. I wanted to create a warm and vibrant color palette that would inspire me throughout the year. I chose colors that I love and that would work well together. I used a color wheel to help me choose colors that were complementary and analogous. I also used a color palette to help me choose colors that were in the same family. I hope this color palette will inspire you to create your own warm and vibrant color palette.
