The White Buffalo:

The Mythical West Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs *Talks with the White Buffalo* White Buffalo (Spirit), Lyna Waggoner, 1994 **Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution** Smithsonian Institution. Bureau of American Ethnology, 1915 *The Legend of the White Buffalo* F. Henrietta Stockel, Victoria Krueger, 1989 The stories of ten women healers explore cultural healing methods utilized by women and present three distinct interpretations of the causes and treatments of human illness The Great Shift Michael Drake, 2018-11-08 The Great Shift is about the new era of humanity We have entered the new epoch of humanity s spiritual evolutionary journey into higher consciousness Our present world is one in which order is arising out of chaos Everything is changing and seeking equilibrium The conditions are nothing short of a rebirth We are quite literally witnesses and participants in the shift from individual to planetary consciousness We are part of the emerging consciousness and the signs are everywhere It is here now and we all have a part to play in it This book is a guide to navigating the shift from an old paradigm into a new one It is deeply rooted in the shamanic and Taoist traditions which are a fountain of wisdom and knowledge for restoring our relationship with the Earth Shamanism and Taoism are a way of living in harmony with nature rather than an adherence to a religious doctrine By practicing these ways of being we awaken our soul calling and our connection to nature They provide a myriad of responses to the spiritual quest of self discovery They are ways that embed us in the living web of life yielding greater awareness and perspective These practices are easily integrated into contemporary life and provide a means of navigating the turbulent times in which we live White Buffalo F. L. Suzie Addicks, 2008-08 This is a little story of a spirit becoming a great and powerful spirit as the White Buffalo The White Buffalo is a symbol in the Native culture of North America for peace and harmony to come back in to the hearts of all humans of the land far and wide This is a story of hope for all children of the Earth from 5 to 95 to enjoy and to imagine all the possibilities for Earth and all her people An
