The Witness of Jesus, Paul and John Larry R. Helyer, 2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture

The Testimony of Jesus and Our Overcoming Witness Lee, 2026-01-29 The Bible reveals that the central significance of God's intention in the universe is the testimony of Jesus and the overcoming of the church. This is also the central message of the book of Revelation. As the last book of the Bible, Revelation is the ending completion and conclusion of the whole Bible. Therefore, in order to clearly understand the ultimate issue of the entire Bible, we must look at the book of Revelation. The whole Bible speaks of the testimony of Jesus and the overcoming of the church. These two matters are very high, difficult to understand, and incomprehensible to the natural mind. The book of Revelation brings us to the heavens and opens the veil for us so that we may see these high and transcendent matters from the heavens. The testimony of Jesus includes the victorious work accomplished by God in the whole universe. This work shows how God intends to express Himself and deal with His enemy. All of this has been testified in the Lord Jesus and is an accomplished fact. Now the Holy Spirit needs to work all of this into the church. When all of this is wrought into the church, it becomes the church's overcoming. In the Lord Jesus, it is all the testimony of Jesus, but when it is wrought into the church, it is the overcoming of the church, which is the corporate testimony of Jesus.

The Witness of the Epistles Richard John Knowling, 1892 **Jesus Christ, the Son of God, the Witness of the Gospels, Vol. 3** Steven R McMurray, 2020-12-18 This volume is the third in a four-part series that uses the New Testament's Gospel accounts supplemented with other scriptures and sources to explore Jesus's mortal life. This third volume primarily focuses on Jesus's Judean and Perea ministries as well as His attendance at the Festival of Tabernacles and the Festival of Dedication. This volume also explores many of His parables and some of His miracles, including that of restoring life to Lazarus in Bethany and sight to Bartimaeus in Jericho. This period was a time of growing opposition to Jesus, ultimately leading to a formal decision among the chief priests and Pharisees to seek His life. The volume is a witness of Jesus as the divine Son of God. This volume invites all to come unto Christ, whatever their burdens and challenges may be, in order to find peace and joy in their lives. This volume, as well as the others in the series, is an ideal resource for individual, in-depth study of Jesus Christ, including His ministry, teachings, and miracles. The volume can also be used as a springboard for inspiring family discussion about the Savior of the world.

With contributions from a diverse and respected group of scholars and pastors, Feasting on the Gospels covers every single passage in the Gospels, making it suitable for both lectionary and nonlectionary use. Moreover, these volumes incorporate the unique format of Feasting on the Word with four perspectives for

preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical **A Witness for Jesus.**

William SKYRING, 1865 *Mission as Integrated Witness* Jae-Suk Lee, 2021-05-25 This study aims to read Jesus's foot washing narrative missionally John 13:1-38. A missional reading is identical to a missional hermeneutics based on the literary theological interpretation of the text. John uses sending language and formulae and the frame of "as so" throughout the whole Gospel which clarifies Jesus's and his disciples' mission as integrated witness. In this literary context the foot washing narrative signifies the integrated witness of Jesus and the disciples. The narrative consists of two parts: one Jesus's symbolic action for his death and the other for its interpretation for the disciple community. Jesus's death as his unique mission results in purifying both his disciples and the world so that they might dwell in the holy union with the triune God. The disciples are sent into the world. Just as Jesus did so must they proclaim Jesus and his teachings. Also they should bear witness to him by living Jesus's life pattern of self-giving sacrificial love and humble service. Their verbal proclamation as evangelism and life witness cannot be separated to testify to Jesus and their identity. Finally, today's Christians, specifically Evangelicals, are invited to participate in the Johannine mission as the integrated witness of evangelism and life witness.

The Testimony of Jesus: The Words of God's Holy Prophet John F. Finkbeiner, The Testimony of Jesus had to be written and therefore needs to be read, studied, then acted upon. The days in which we live teem with factual misrepresentations, outright falsehoods, key omissions, and leaders who play fast and loose with the truth. Surely we are near the end of the age. In each of the 22 chapters, a separate facet of The Testimony of Jesus is brought into view. There is one standard by which we measure truth: it is the straight vertical line that points to the Highest Heaven where God is enthroned. Another name for this straight line is the Word of God or Jesus, the Way, the Truth, and the Life. When God's Word or the Scripture is misapplied, misstated, or thrown into the mud, then Truth will give way to the Lie. Truth must be loved, or it will make itself absent at least until it is sought again. The Light of God dims because men love darkness more than the light. Take heart: the Light of Truth will never be extinguished. For a day is coming when Jesus' testimony will be all there is. Inside The Testimony of Jesus, we see that Jesus is the Word, and the Word of God is Jesus. Sermons and books such as this run the risk of watering down what the Lord said, leaving out or explaining away the hard sayings and Scripture's troubling prophecies. It is with the utmost regard for completeness and accuracy, as well as awareness of the fearful warnings to anyone who alters Jesus' words, that the writer began and ended this noble undertaking. This book goes back to the source, the Word itself, to represent God's Words, the red ink, black, blue, or whatever color, just as the spirit of prophecy intended. For the spirit of prophecy is the testimony of Jesus. The authority with which Jesus spoke packed a punch that shut the mouths of his opposition and amazed the people. The same authority from God was gifted to the Apostles, then felt by the Gospel's friends and enemies. It is hoped that the power of the testimony of Jesus will explode in the heart and mind of each reader in a wonderful transforming way. Is not His Word like fire?

At first readers may become angry with the writer or with the content but this emotion is misplaced Why be upset with the messenger or the message Take it up with the originator the Creator of The Word Maybe no one told you what Jesus our Savior is really like and you never discovered it for yourself It is time we became wise God s people perish for lack of knowledge Why perish when God wants us to have LIFE The proof of the book s reliability is in the Scriptures for all to see It is in the book s pages where the passages of testimony are cited or quoted Read them then examine their context Do not be deceived instead be enlightened by the Spirit of God The Testimony of Jesus encourages rational thinking and critical analysis or putting each thought to the test The writer did and so did the book s Bible minded editors readers must as well Truth is transformational but only when we recognize it and then obey You will read that what Jesus said came from directly from the Father His testimony will challenge readers and inspire their faith to take a giant step forward by submitting to Him God s idea has always been to produce Christ likeness in His Son s disciples In following truth wherever it leads we find the narrow path that leads to eternal salvation Buckle up We may wonder why we ever sat behind the wheel for this Some of the book may seem bumpy but the prize at the end will be well worth it Allow the Word to dwell in you heart richly Meditate and pray You may not agree but think for yourself Let the evidence from the true and faithful witness of God do the persuading You will want company on this magnificent journey so share The Testimony of Jesus with a friend and watch what happens

A Theology of Revelation J. Scott Duvall, 2025-03-25 *A Theology of Revelation* by J Scott Duvall in Zondervan s *Biblical Theology of the New Testament* series provides a comprehensive look at the theology of John s *Apocalypse* One of only a few dedicated theologies of Revelation Duvall s book leaves no stone unturned in the study of the final book of the Christian canon of Scripture This thoroughly researched study includes an investigation into the historical framework of the book authorship date and occasion and purpose a survey of literary theological foundations genre text and canonicity grammar and symbolic language use of the Old Testament literary structure and interpretation and a full literary theological reading of the book culminating in an exploration of the book s most significant theological themes God Jesus Christ the Holy Spirit the people of God worship discipleship salvation God s judgment of evil and the new creation Readers will find here a study that is clearly written attentive to the historical literary context with special attention given to the primary theological themes in the book Perhaps above all readers will have their hope in God and his amazing plan reinforced and strengthened *Northfield Echoes* ,1898 *Texts for Preaching: Year C* Charles B. Cousar, 1994-01-01 Based on the New Revised Standard Version of the Bible this second in a series of three volumes provides resources for an entire year of sermons and offers practical help for preachers and others who use the Revised Common Lectionary Beginning with Advent this unique and comprehensive resource deals with lectionary texts for Year C Each of the four texts the Old Testament Psalter Gospel and Epistle for each Sunday and important festival day including Christmas Ash Wednesday and Good Friday is treated A brief introduction for the day indicates the general thrust of the texts and the relationships among them emphasizing in interpretation of the texts themselves Also included are suggestions concerning the implications of the texts for life today *The Theology of the Book of Revelation* Richard Bauckham, 1993-03-04 *The Book of Revelation* is a work of profound theology But its literary form makes it impenetrable to many modern readers and open to all kinds of

misinterpretations Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom contextualised in the late first century world dominated by Roman power and ideology It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church This study concludes by highlighting Revelation's continuing relevance for today
