Men Without Women Ernest Hemingway, 2023-01-18 First published in 1927 *Men Without Women* represents some of Hemingway's most important and compelling early writing In these fourteen stories Hemingway begins to examine the themes that would occupy his later works the casualties of war the often uneasy relationship between men and women sport and sportsmanship In *Banal Story* Hemingway offers a lasting tribute to the famed matador Maera In *Another Country* tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife *The Killers* is the hard edged story about two Chicago gunmen and their potential victim Nick Adams makes an appearance in *Ten Indians* in which he is presumably betrayed by his Indian girlfriend Prudence And *Hills Like White Elephants* is a young couple's subtle heart wrenching discussion of abortion Pared down gritty and subtly expressive these stories show the young Hemingway emerging as America's finest short story writer

Hemingway Michael Reynolds, 2012-05-28 Excellent Reynolds is as good on the Paris writing as he is on the Paris life *Times Literary Supplement* The 1920s in Paris are the pivotal years in Hemingway's apprenticeship as a writer whether he was sitting in cafes or at the feet of Gertrude Stein These are the heady times of the Nick Adams short stories Fitzgerald's *The Great Gatsby* and the writing of *The Sun Also Rises* These are also the years of Hemingway's first marriage to Hadley Richardson the birth of his first son and his discovery of the bullfights at Pamplona **Hemingway's Cats** Carlene Fredericka Brennen, 2005 Illustrated with more than 200 photographs this unique biography explores the life of Ernest Hemingway the women he loved and his affinity for the companion animals both cats and dogs he kept throughout his

lifetime Hemingway at Eighteen Steve Paul, 2017-10-01 George Ehrlich Award Recipient In the summer of 1917 Ernest Hemingway was an eighteen year old high school graduate unsure of his future The American entry into the Great War stirred thoughts of joining the army While many of his friends in Oak Park Illinois were heading to college Hemingway couldn't make up his mind and eventually chose to begin a career in writing and journalism at the Kansas City Star one of the great newspapers of its day In six and a half months at the Star Hemingway experienced a compressed streetwise alternative to a college education that opened his eyes to urban violence the power of literature the hard work of writing and a constantly swirling stage of human comedy and drama The Kansas City experience led Hemingway into the Red Cross ambulance service in Italy where two weeks before his nineteenth birthday he was dangerously wounded at the front Award winning writer Steve Paul takes a measure of this pivotal year when Hemingway's self invention and transformation began from a modest rather shy and diffident boy to a confident writer who aimed to find and record the truth throughout his life Hemingway at Eighteen provides a fresh perspective on Hemingway's writing sheds new light on this young man bound for greatness and introduces anew a legendary American writer at the very beginning of his journey *Hemingway's Quarrel with Androgyny* Mark Spilka, 1990-01-01 Hemingway's Quarrel with Androgyny confronts the entrenched mystique surrounding the hard drinker bullfighter and creator of characters steeled by their own code Spilka stresses Hemingway's lifelong dependence on and secret identification with women and in doing so shatters the myths of male bonding and heroic lives of men without women He develops the biographical literary and cultural implications of Hemingway's lifelong quarrel with androgyny to reveal a more psychologically complex man and writer than the mystique has allowed *Hemingway's Faith* Mary Claire Kendall, 2024-12-17 Little is known about Ernest Hemingway's religious faith Drawing on archival research and interviews with Hemingway's family biographer Mary Claire Kendall paints a portrait that reveals the real Hemingway and the deep motivations inspirations and connections to the Catholic tradition that left an indelible imprint on his life and writing Form and Function of Paris Representation in Hemingway's A Moveable Feast Olga Nikitina, 2007-12 Seminar paper from the year 2007 in the subject American Studies Literature grade 1-3 University of Bonn language English abstract *A Moveable Feast* deals with the years 1921 to 1926 spent by Hemingway as a young man at the beginning of his literary career in Paris He started to write it in 1958 and it actually remained unfinished when he committed suicide in 1961 Taking into account the fact that at that time Hemingway had already written all his best books that in 1953 he was awarded The Pulitzer Prize and in 1954 the Nobel Prize for Literature one could suppose that the book was written by a successful and confident author who looked back at his young years with a gentle smile sort of how it all started probably not without nostalgia But if one takes a closer look at Hemingway's biography one finds out that the Paris book was being written by the rapidly ageing Ernest Svoboda p 159 in the midst of health problems and family pressure probably foreseeing the end of his literary career suffering from continuous depressions and paranoia Add to all this repercussions of the two plane crashes

which he survived and the loss of the mother Pauline Hemingway and his close friend and editor Charles Scribner and you will be able to imagine probably quite remotely what Hemingway's state of mind really was while he was writing the book in question. What could be the message of the book written under such circumstances at the top of the literary career and facing the gap of despair? Was it an attempt to explain to himself what he had done wrong with his life to calculate what had been lost and what had been gained during Paris years or to prove that in spite of increasing difficulties with writing he is still a great writer? Was he trying to show what had made him the kind of writer he was and as he desperately hoped still kept him on the top or was he simply recollecting the old happy times in order to forget the present frustration?
