The Disciplined Heart:

The Disciplined Heart Caroline J. Simon, 1997-03-25 Often what passes for love is a product of self deception and wishful thinking Genuine love according to philosopher Caroline J Simon must be based on knowledge of reality and Christianity affirms that reality includes not just who people are but the unfolding story of who God intends them to be Taking the use of narrative seriously The Disciplined Heart draws on works of literature to display a Christian understanding of love in its various forms love of self love of neighbor friendship romantic love and marital love Using instances of love and its counterfeits in novels and short stories by such authors as Flannery O Connor Leo Tolstoy George Eliot and F Scott Fitzgerald Simon constructs an account of love s joys and obligations that both charms and instructs Learned astute and elegantly written The Disciplined Heart is a groundbreaking work at the intersection of theology philosophy and literary analysis

The Disciplined Heart Ruth C. Ikerman, 1964 **Heart Discipline** James Cooper (Congregational Minister.), 1852 Heart Discipline ... With a Recommendatory Preface by the Rev. John Angell James James COOPER (Congregational Minister, of Norwich.), 1852 *Path of the Golden Heart* Cindy Jarrett, 2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World the first book in Cindy Jarrett s Conscious Relationships Series is based on Cindy s pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed It is an in depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don t usually relate to love or love relationships with maturity in mind We don t necessarily declare that these elements are also what loving another requires
