The Divine Stream:

The Divine Stream Witness Lee, 1976 *The Ministry, Vol. 09, No. 02* Various Authors, 2005-02-01 This issue of The Ministry contains a complete record of the nine messages given in Auckland New Zealand during the International Training for Elders and Responsible Ones in October 2004 The general subject of these messages is the uniqueness of the Lord's recovery see The Ministry February 2004 and June 2004 The burden for these messages can be summarized in the following fellowship from Message One from excerpts of Practical Talks to the Elders by Witness Lee We don't know how long the coming days will be only the Lord knows But for as long as the Lord carries the recovery will be on this earth With these future days and future new ones especially in mind I feel there needs to be a basic vision or basic knowledge of the Lord's recovery Just five years ago a distraction came in which confused some dear ones who were concerned for the Lord's recovery Since such a thing could happen in the past right before our eyes how can we have the assurance that such a thing will not be repeated in the future Thus while the Lord still grants me the days I would like to do as much as I can to put things clearly into writing Then the dear ones who are in and who will be brought into the Lord's recovery can have a clear view about what it is pp 51-52 God is unique His plan is unique His work is unique His way to carry out His work is unique And the very instrument used for His way is the ministry Thus this ministry is also unique In the New Testament there is the unique Christ the unique way and the unique focus to carry out the unique circumference the church by the unique ministry p 57 In the Lord's recovery we are doing one work carrying out one ministry We are serving one Lord worshipping one God We are in His unique plan in His unique economy in His unique work in His unique way We minister His unique focus p 60 If we are not in the focus and if we do not experience what we preach to others we face two perils One sooner or later there will be divisions Two if we don't practice the focal points the saints have no way to practice them The things we teach will eventually become doctrines in the Lord's recovery There will be no reality The recovery will be just empty If we don't care for the Lord's recovery by paying heed to all these unique points then we will care for the spreading of our work To care for the spread of our work is dangerous It will produce different works to build up different ministries Then division will result I am fearful and trembling of these two perils the peril of different works being produced to cause division and the peril of emptiness pp 62-63 May the Lord speak to us in these messages to show us the uniqueness of His recovery May the Lord keep us secure in this vision and may He keep His recovery from division and from emptiness Last of all in the sections regarding reports and announcements we include a schedule of the upcoming conferences and trainings in Europe for 2005

Life's Mysteries Unveiled J Todd Ferrier, 2013-11-28 We are taken on a Soul journey providing answers to questions for those seeking spiritual truth about the spiritual life and its recovery as a living power Some of the themes are Biblical because this is the context in which this series of talks arose but all are taken beyond those confines in a way that transcends and illumines them **The Holy Word for Morning Revival - Propagating the Resurrected, Ascended, and**

All-inclusive Christ as the Development of the Kingdom of God Witness Lee, 2018-10-16 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Addis Ababa Ethiopia on October 4 6 2018 The general subject of the training was Propagating the Resurrected Ascended and All inclusive Christ as the Development of the Kingdom of God Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ *THE ORIGINAL LORD CHAPTER 58* Trinh The Vien , 2025-08-15 *THE ORIGINAL LORD CHAPTER 58* And when Zhou Yuan because of that extreme despair suddenly found a ray of dawn that Saint Clan Heavenly Domain outside the boundary wall the Heavenly Saints were because of those two words that came out from the Saint God s mouth and became trembling Divine war That Saint God planned to start a divine war with the third god Since the birth of the Heavenly Origin World this was the first time that it was truly a divine war during the ancient era that world destroying battle although the Ancestral Dragon s will appeared but the God was ultimately not considered a truly existing Innate Divine Spirit Therefore it could be said that the next divine war was the first time that the Heavenly Origin World had never seen before [The Church at Home and Abroad](#) Henry Addison Nelson, Albert B. Robinson, 1888 [The Ministry of the Word, Vol. 22, No. 04](#) Various Authors, 2018-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures The central thought of God in this universe and in eternity is to have Christ as His expression through the church with the shining in life God s expression is based on life and light and the light is the shining in life In order for God to have an expression of Himself in Christ through the church the divine life that expresses Him must be embodied and expressed in Christ and then dispensed into worked into and expressed through the church Only the life of God can express God Based on this principle we will see the crucial revelation of life throughout the Scriptures Genesis 1 and 2 are not merely a record of creation actually nearly every item recorded in these two chapters is a revelation of Christ who is life to God s people for the producing and building up of the church According to Genesis 1 God created many forms of life beginning with the lowest form and progressing to the highest form of created life that is man whom God created in His image The purpose of the creation of man with God s image is that this man would express God However the created man had only a human life Any form of created life can only express itself it cannot express another kind of life This means that man is unable to express God if he has only his created human life In order for man to express God and fulfill His purpose man must obtain and receive the life of God as his life God has to enter into man to be life to man Genesis 2 reveals that the bride of Christ typified by the woman built from the rib taken from the man is produced and comes into being by life The real Eve the church the counterpart of Christ which will consummate in the New Jerusalem is built with the resurrection life that was released by the

Lord through His death and imparted through His resurrection This counterpart of the Lord is a building of life For God to gain His corporate expression through the church He must dispense and work Himself into us His people His believers This is accomplished through our eating and drinking Him We need to pass through three stages of the enjoyment of Christ by eating Him The first stage is the eating of Christ as the Passover lamb in Egypt the second stage is the eating of Christ as the manna in the wilderness and the third stage is the eating of Christ as the rich produce of the good land By our eating in the first two stages we are energized to leave the world and are constituted with Christ as the heavenly element Only in the third stage of the enjoyment of Christ as our food can we fulfill God's purpose It was not until the children of Israel entered into the good land and enjoyed the produce of the land that they were able to defeat all the enemies build up God's dwelling place on the earth and bring in the kingdom of God Likewise for us to reach the goal of God's economy we need to progress until we enter into the highest stage of eating Christ as the all inclusive Spirit as typified by the rich produce of the good land In this stage we overcome the spiritual enemies we are built up to be God's dwelling place and we establish God's kingdom on earth The history of God's people is not only one of eating but also one of drinking In the Old Testament before coming into the good land and building the house of God the children of Israel journeyed through the wilderness During that journey they came to Marah a place of bitter waters Moses followed God's command to cast a tree into the bitter waters the waters then became sweet This tree signifies the tree of life the crucified and resurrected Christ who today is the Spirit mingled with our spirit In our spirit we have the crucified and resurrected Christ as our Healer He is the One who transforms our bitter circumstances and makes them sweet and He also heals all our diseases Before the building of the house of God the Bible speaks of the springs of water Exo 15 22 27 the water out of the cleft rock 17 6 and the water from the well Num 21 16 17 Christ as the living spiritual rock was smitten by the authority of God's law so that the water of life in resurrection could flow out of Him and into His redeemed people for them to drink After God's people built the house of God in the good land the Bible speaks of the river of God's pleasures Psa 36 8b the river whose streams gladden the city of God 46 4 a fountain going forth from the house of Jehovah Joel 3 18 and living waters going forth from Jerusalem Zech 14 8 We need to experience the flowing of the living water out of the house of God Ezek 47 1 5 In order to be in the flow we have to be in the building that is we need to be in the church In the New Testament we can see the crucial revelation of life in the book of Matthew In the decree of the kingdom's constitution given by the Lord in chapters 5 7 He displayed the two possible ways people may live and work before God 7 13 14 21 27 The broad way that leads to destruction is according to the worldly systems satisfying the natural tastes to get the crowd to maintain a career of man and to achieve man's enterprise The constricted way is according to the divine regulations This way which leads to life fulfills the spiritual requests brings in God's elect bears the testimony of Jesus Christ and carries out God's economy for the building up of the Body of Christ We take this way by walking in the spirit this will restrict us and cause us to live a normal Christian life We will thereby become vital healthy believers who take the

way of life for God's building There are three basic elements in Matthew First Christ is the King as the kingdom bringing in the reality of the kingdom Second He is the King in His all inclusiveness Third He is the kingly bread When we partake of this kingly bread we eat digest and assimilate the King and the kingdom with its reality and we eat and digest the King in His all inclusiveness The ruling element is in the food When we take in this food we gradually become the reality of the kingdom of the heavens The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe **From Christian**

Science to Jewish Science Ellen M. Umansky,2005 During the late nineteenth and early twentieth centuries thousands of American Jews were drawn to the teachings of Christian Science Viewing such attraction with alarm American Reform Rabbis sought to counter Christian Science's appeal by formulating a Jewish vision of happiness and health Unlike Christian Science it acknowledged the benefits of modern medicine yet sharing the belief in God as the true source of healing similarly emphasized the power of visualization and affirmative prayer Though the numbers of those formally affiliated with Jewish would remain small its emphasis on the connection between mind and body influenced scores of rabbis and thousands if not hundreds of thousands of American Jews predating contemporary Jewish interest in spiritual healing by more than seventy years Examining an important and previously unwritten chapter in the story of American Judaism this book sheds light on religious and social concerns of twentieth century American Jewry including ways in which adherence to Jewish Science helped thousands bridge the perceived gap between Judaism and modernity *The Unitarian Review and Religious Magazine* Charles Lowe, Henry Wilder Foote, John Hopkins Morison, Henry H.
