And instead of curing her it rotted her arm right off Yes I remember Poor Jane However she makes a good living out of that arm now by shewing it at medical lectures SIR PATRICK Still that wasn't quite what you intended was it RIDGEON I took my chance of it SIR PATRICK Jane did you mean RIDGEON Well it's allw The Doctor's Dilemma Dan Laurence, George Bernard Shaw, 1987-11-19 Shaw's humorous satire of the medical profession *The Doctor's Dilemma* Bernard Shaw, 1913

**The Doctor's Dilemma** George Bernard Shaw, 2005-07-01 On the 15th June 1903 in the early forenoon a medical student surname Redpenny Christian name unknown and of no importance sits at work in a doctor's consulting room He devils for the doctor by answering his letters acting as his domestic laboratory assistant and making himself indispensable generally in return for unspecified advantages involved by intimate intercourse with a leader of his profession and amounting to an informal apprenticeship and a temporary affiliation Redpenny is not proud and will do anything he is asked without reservation of his personal dignity if he is asked in a fellow creaturely way He is a wide open eyed ready credulous friendly hasty youth with his hair and clothes in reluctant transition from the untidy boy to the tidy doctor Redpenny is interrupted by the entrance of an old serving woman who has never known the cares the preoccupations the responsibilities jealousies and anxieties of personal beauty She has the complexion of a never washed gypsy incurable by any detergent and she has not a regular beard and moustaches which could at least be trimmed and waxed into a masculine presentableness but a whole crop of small beards and moustaches mostly springing from moles all over her face She carries a duster and toddles about meddle somely spying out dust so diligently that whilst she is flicking off one speck she is already looking elsewhere for another In conversation she has the same trick hardly ever looking at the person she is addressing except when she is excited She has only one manner and that is the manner of an old family nurse to a child just after it has learnt to walk She has used her ugliness to secure indulgences unattainable by Cleopatra or Fair Rosamund and has the further great advantage over them that age increases her qualification instead of impairing it Being an industrious agreeable and popular old soul she is a walking sermon on the vanity of feminine prettiness Just as Redpenny has no discovered Christian name she has no discovered surname and is known throughout the doctors quarter between Cavendish Square and the Marylebone Road simply as Emmy

**The Doctor's Dilemma** Bernard Shaw, 2014-05-20 It is not the fault of our doctors that the medical service of the community as at present provided for is a murderous absurdity That any sane nation having observed that you could provide for the supply of bread by giving bakers a pecuniary interest in baking for you should go on to give a surgeon a pecuniary interest in cutting off your leg is enough to make one despair of political humanity But that is precisely what we have done And the more appalling the mutilation the more the mutilator is paid He who corrects the ingrowing toe nail receives a few shillings he who cuts your inside out receives hundreds of guineas except when he does it to a poor person for practice Scandalized voices murmur that these operations are unnecessary They may be It may also be necessary to hang a man or pull down a house But we take good care not to make the hangman and the housebreaker the judges of that If we did

no man's neck would be safe and no man's house stable But we do make the doctor the judge and fine him anything from sixpence to several hundred guineas if he decides in our favor I cannot knock my shins severely without forcing on some surgeon the difficult question Could I not make a better use of a pocketful of guineas than this man is making of his leg Could he not write as well or even better on one leg than on two And the guineas would make all the difference in the world to me just now
