**The Robbers** Friedrich Schiller, 1781 was written in great secrecy under the prison like conditions of W rittenberg s Karlsschule Karl the son of a count is disinherited through the machinations of his brother Franz and turning his back on a social order he finds unjust and corrupt becomes the leader of a band of robbers **The Robbers ... Translated from the German by A. F. Tytler, Lord Woodhouselee** Friedrich Schiller, 1795 The Works of Frederick Schiller: The Robbers, Fiesco, Love and Intrigue, and the Ghost-Seer Friedrich Schiller, 1883 **The Robbers Cave Experiment** Muzafer Sherif, 1988-02 A classic of behavioral science Originally issued in 1954 and updated in 1961 and 1987 this pioneering study of small group conflict and cooperation has long been out of print It is now available in cloth and paper with a new introduction by Donald Campbell and a new postscript by O J Harvey In this famous experiment one of the earliest in inter group relationships two dozen twelve year old boys in summer camp were formed into two groups the Rattlers and the Eagles and induced first to become militantly ethnocentric then intensely cooperative Friction and stereotyping were stimulated by a tug of war by frustrations perceived to be caused by the out group and by separation from the others Harmony was stimulated by close contact between previously hostile groups and by the introduction of goals that neither group could meet alone The experiment demonstrated that conflict and enmity between groups can be transformed into cooperation and vice versa and that circumstances goals and external manipulation can alter behavior Some have seen the findings of the experiment as having implications for reduction of hostility among racial and ethnic groups and among nations while recognizing the difficulty of control of larger groups The Northfield Tragedy; or, the Robber's Raid J. H. Hanson, 2022-06-13 In The Northfield Tragedy or the Robber s Raid J H Hanson crafts a gripping narrative centered around the infamous bank raid in Northfield Minnesota in 1876 This work rooted in historical realism employs vivid descriptions and a dramatic tone that immerse readers into the chaotic atmosphere of the raid capturing the interplay between heroism and villainy Hanson s meticulous attention to period details and character development enhances the emotional weight of the story allowing readers to witness the complexities of courage in the face of lawlessness thus situating the book within a broader context of American frontier literature and true crime narratives of the late 19th century J H Hanson an astute chronicler of American history draws upon his extensive knowledge of the local lore and historical events that shaped the Midwest His fascination with tales of courage and moral dilemmas is reflected in his works often inspired by real life events that provoke questions about justice and human resilience Through a lens of personal connection to the Northfield community Hanson infuses authenticity into his portrayal of both the historical figures involved and the social ramifications of the raid on American society This riveting book is highly recommended for readers seeking a compelling blend of history and drama Hanson s exploration of The Northfield Tragedy not only entertains but also serves as a poignant reflection on societal values during tumultuous times Whether you re a fan of historical fiction or a scholar of American history this tale of
