The Sacraments in a World of Change Joseph M. Champlin,1973-08-01 **Christian Sacraments in a Postmodern World** Kenan B. Osborne,1999 Radically rethinks sacramental life and theology from the standpoint of postmodern philosophy The Eucharist and World Hunger Izunna Okonkwo,2011-12-21 Hunger is a menace in different parts of the globe It has more unnatural than natural causes Though efforts have been made towards alleviating its causes and consequences more actions still need to be taken for its genuine alleviation and eventual eradication in the world For Joseph Grassi painful hunger is a daily occurrence that must be countered by ongoing effective programs that enter into the lives of every Christian Such position not only recognises the frequency and excruciating nature of hunger but also suggests that Christians and other religious groups have a very important role to play in order to eradicate hunger and its devastating effects This book explores the nuances of hunger its causes dimensions and approaches as well as its connection to the Eucharist It argues that hunger can be eradicated and that the Eucharist stands out as a veritable model **The Doctrine of the Sacraments in Relation to the Doctrines of Grace, as Contained in the Scriptures, Taught in Our Formularies, and Upheld by Our Reformers ...
