The Salvation Controversy:

The Salvation Controversy James Akin, 2001 There are times when you just know as if by instinct and often before you are able to say exactly why that an argument you are hearing is fatally flawed it gives off something like the hollow thunk of cheap glass But then there are those rare and precious times when you read a book or an article and ping there is no mistaking This is the real thing At the banquet table of apologetics James Akin's *The Salvation Controversy* is the finest of fine crystal Questions relating to salvation especially faith versus works but also penance purgatory indulgences and free cooperation with God's grace have been sore points in the dialogue between Catholics and Protestants Mr Akin knows and respects the Protestant tradition in which he was raised and the Catholicism he has come to embrace He is not about to falsify either or to pretend that crucial differences do not exist But he is also unwilling to allow theological slogans such as faith alone to distract us from significant points of agreement His method is to follow Scripture and Tradition wherever they lead and he is formidably equipped for the task with honesty clarity of mind and an abundance of logical skill Book jacket

The Salvation Controversy G. Michael Cocoris, 2008 **The Drama of Salvation** Jimmy Akin, 2015 **The Drama of Salvation** Jimmy Akin, 2015-04-01 Where Will You Spend Eternity The drama of salvation involves every man woman and child on earth In this life all of us are suspended between heaven and hell Few people understand what Jesus did or how it affects us Worse yet there are endless squabbles between Christians of different persuasions leading to confusion on a massive scale In this book Jimmy Akin uses his expertise in Scripture and Church teaching to cut through the confusion and provide clear answers on important issues like What we need to do to be saved Whether salvation is a one time event or a process Whether penance is part of God's plan What indulgences are How faith and works relate What the Church teaches about justification How far apart Protestants and Catholics are on this question Whether you have to be a Catholic or a Christian to be saved No other book takes on these questions with the clarity and precision that Akin brings to them and the answer will affect you and those you love forever **The Salvation Controversy: Law Or Grace?** John MacArthur, 1982

centuries ago both because of internal scandals and external persecutions. Instead two thousand years after the Resurrection the Church continues to advance her God-given Great Commission (Matt 28:18-20). The Confessional History of the Lutheran Church James William Richard, 1909 *The Gospel According to the Apostles* John F. MacArthur, 2005-03-06. The apostles understood the Gospel as they learned from and personally lived alongside Jesus, and these lessons became the heart of their message to an unsaved world. But what does their perspective mean for modern Christians, and how can we read the Bible through their unique lens today? Following the release of his bestselling book *The Gospel According to Jesus*, Dr. MacArthur noticed that Christians were looking for practical advice, spiritual counsel, and accessible explanations of the Bible. And most of all, they wanted help understanding their experiences within Christianity. Dr. MacArthur realized that by examining scripture from the perspective of the apostles themselves, even more Christians could come to know the Gospel as Jesus' earliest followers did. In his characteristic compelling style, Dr. MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church. Dr. MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years, including: What is cheap grace? Have some Christians adopted a no-works theology? What must a person do to be considered righteous by God? How should we call people to faith? Do our works have any effect on our salvation? *The Gospel According to the Apostles* is a book for every Christian who wants to experience, understand, and fall in love with the same gospel that Jesus preached.

This comprehensive guide covers a wide range of religious sects, heresies, parties, and schools of thought from Abecedarians to Zwinglians. The work's Classified Table of the Principal Contents organizes the alphabetically arranged entries under the following categories: Jewish sects, heathen religions, heretics, New Testament early and later, Medieval sects and heresies, Continental sects, English sects, chief existing sects, Scottish sects, American sects, Russian sects, church parties and schools of thought. Entries cover the history, founders, and leaders, importance, and effects of each sect, with citations to relevant Biblical passages and other religious and historical works.
