The Watch Tower:

The Four Presidents of the Watch Tower Society (Jehovah's Witnesses) Edmond C. Gruss,2003 The Watchtower ,1925
Zion's Watch Tower and Herald of Christ's Presence ,1922 **The Watchtower's Coming Crisis** Daniel
Rodriguez,2009 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never
met a real Jehovah s Witness While those at your door may claim to be one of Jehovah s Witnesses their own publications
plainly teach otherwise So who are the real Jehovah s Witnesses The Watchtower Society teaches that they are members of
the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the
centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims
to be one of Jehovah s Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society
teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership
Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these
death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to
wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes
to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door
believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of
going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths
without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths
Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze
Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine
You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game
that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information
and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower
The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the
spiritual leader for its followers Time is the enemy of this teaching and they know it Public Service ,1907 Notes and
