**An easy method of meditation; or, Practical explanation of the second manner of prayer of st. Ignatius [in his Exercitia spiritualia] tr. by L.M.K. François Xavier Schouppe,1883**      **The Myth of Freedom and the Way of Meditation** Chögyam Trungpa,2002-02-12 Featuring a new foreword by Pema Chödrön this Tibetan Buddhist classic explores the meaning of freedom and how we can attain it through meditation Freedom is generally thought of as the ability to achieve goals and satisfy desires But what are the sources of these goals and desires If they arise from ignorance habitual patterns and negative emotions is the freedom to pursue these goals true freedom or is it just a myth In *The Myth of Freedom and the Way of Meditation* Chögyam Trungpa explores the true meaning of freedom showing us how our attitudes preconceptions and even our spiritual practices can become chains that bind us to repetitive patterns of frustration and despair He also explains how meditation can bring into focus the causes of frustration and how these negative forces can aid us in advancing toward true freedom Trungpa's unique ability to express the essence of Buddhist teachings in the language and imagery of contemporary American culture makes this book one of the best most accessible sources of the Buddhist doctrine ever written      [The Method, Meditations, and Selections from the Principles of Descartes](#) René Descartes,1887
