The Way To Hanita:

The Making of Israeli Militarism Uri Ben-Eliezer, 1998-06-22 an original interpretation of the wide ranging impact of the military on Israeli society one of the most insightful works on Israeli society in general Gershon Shafir From the early days of the Yishuv militarism and the military have become a way of life for Israelis Focusing on the period between 1936 and 1956 Uri Ben Eliezer traces the ways in which military force acquired legitimacy in civilian society and how the use of organized violence became an acceptable solution to conflicts especially the Arab Israeli conflict *Migration Journeys to Israel* Gadi BenEzer, 2019-04-09 This book addresses a lacuna in the study of Jewish and Israeli history that of journeys taken by Jews in the 20th century towards Israel which is also a neglected subject in the more general fields of migration and refugee studies Dr Gadi BenEzer a psychologist and anthropologist eloquently shows how such journeys are life changing events that affect individuals families and communities in a variety of ways Based on narrative research of Jewish people who have undergone journeys on their way to Israel from around the world the author is able to pose original questions and give initial convincing answers The powerful personal accounts are followed by a thought provoking analysis **The Glory Box** Claudine Marcin, 2020-05-23 The Glory Box is a story that spans more than a century and is told in four parts Book I Pineapple in Winter begins with the convening of a special summit of the Confederation of The United Western Territories The summit is led by Dr Vytas Boyd head of the astrophysics department He begins by reminding the Confederation of the extinction level event that occurred 100 years ago reshaping the world they live in He then goes on to explain that his team has recently discovered they are about to face a new crisis that will bring about another ice age and they only have ten years to prepare The summit reunites Vytas Boyd s sister Dr Alice Wallace with her college friend Dr Kyle Weber They put their bio engineering heads together to propose a controversial plan for survival Alice introduces her brother to the mysterious Agent Hanita Michaels Love evolves between Vytas and Hanita as they plan for a future that may never come As The United Western Territories await the inevitable deception takes root and tragedy ensues But still they find hope in the plan the confederation developed for their survival Until Alice discovers dark secrets and regrets about Dara in a hidden journal are the words the imaginings of a delusional mind or are they real Everything appeared to be going as planned until eight strangers arrive and tell a story that rewrites their history and sets a new path for the future More questions are raised when they open The Glory Box and discover what s inside Will they uncover the truth about Dara The mystery of The Glory Box is revealed and all questions are answered as the series continues with the next three releases of Autumn and Summer and with the conclusion in Spring **The Jewish Outlook** ,1940 *Land and Power* Anita Shapira, 1999 This book traces the history of attitudes toward power and the use of armed force within the Zionist movement from an early period in which most leaders espoused an ideal of peaceful settlement in Palestine to the acceptance of force as a legitimate tool for achieving a sovereign Jewish state Reviews A rich and sophisticated work that nicely complements more conventional political historical

studies of the Arab Israeli conflict Shapira sifts through a vast body of material ranging from essays poems and memoir literature to the unpublished minutes of political party and youth group meetings Shapira interprets these sources with sensitivity and insight and writes with power compassion and warmth A landmark book that is an outstanding contribution to the history of Zionist political thought and culture American Historical Review This is a superb book a well researched detailed and scholarly account that provides new and valuable insights into the dilemma posed by the formation and elaboration of a more forceful Israeli military posture The Historian Shapira s powerful well written lucid intellectual history of a segment of the Zionist movement is fascinating and easy to read Journal of Economic Literature The Way to Hanita Myra Kaye,1995 **A Common Soldier** Yosef Eshkol,1993 *The Young Judaeen* ,1950 *The Boneh's Handbook of Habonim* ,1939 *Orde Wingate* Christopher Sykes,2022-03-10 Four months after Orde Wingate 1903 1944 died in a plane crash in Burma Churchill told the House of Commons that he was a man of genius who might well have become also a man of destiny An unconventional soldier as a junior officer he complained directly to the Chief of the Imperial General Staff during an exercise about being refused entry to the Staff College Wingate first showed his military genius in Palestine 1936 39 where as an ardent supporter of the Jews and of Zionism he organized the Special Night Squads armed groups of British and Haganah volunteers at Ein Harod in the Galilee to fight Arab attacks In Ethiopia where he commanded the troops supporting Haile Selassie his brilliant campaign played a key part in the Italian defeat and the restoration of the Emperor to his throne Wingate is mainly remembered as the leader of the Chindits guerilla brigade in Burma where in February 1943 as Britain s fortunes in Burma were at their lowest ebb he led his brigade far behind the Japanese lines harassing communications and gaining the jungle experience which would prove a vital factor in the second and larger operation and in eventual victory This is an excellent and well balanced study of the brilliant if eccentric British officer and his activities in Palestine Ethiopia and Burma Henry L Roberts Foreign Affairs An absorbingly interesting portrait of a military genius who at times seems slightly mad and almost never wholly normal Rebellious against authority though he came from a line of army people mysterious in his ruthlessness his fanaticism his unwillingness to explain his motives Wingate made more enemies than friends Surely he makes a fascinating subject for a biography Kirkus This is a fine biography of an extraordinary man a skillful combination of bright narrative and clear analysis an excellent portrait of the man Based upon a large storehouse of documents interrogations secondary works and trips to the scenes of Wingate s major campaigns this volume is by far the best study to date on this forceful and erratic figure No doubt it will remain so for a long time to come Gordon W Prange Military Affairs Christopher Sykes Orde Wingate reveals enormous research work an overall understanding of the problems of the time and sufficient critical distance for an evaluation of the man and his deeds Sykes plastic art of description found in this biography fullest expression it is a literary treat Oskar K Rabinowicz Jewish Social Studies **The Yearbook of Oriental Art and Culture** Arthur Waley,1925 Includes section Reviews *And Perhaps ...* Ruth Dayan,Helga Dudman,1973 **The Irgun**
