The Way We Were

[Anonymus AC10216953]

The Way We Were:

The Way We Were Tom Santopietro, 2023-01-15 *The Way We Were* is a nostalgia-drenched bittersweet romance starring superstars Barbra Streisand and Robert Redford at the peaks of their careers and a story for everyone who has ever loved with passion if not wisely. A smash hit around the world whose power echoes to this day yet a film whose success was so far from assured that one studio executive was heard to exclaim Barbra Streisand doesn't sing and she plays a communist are you trying to kill me. But succeed the film did propelled by a smash hit title song and career-defining performances from Streisand and Redford. Now just in time for the 50th anniversary of the film's release, this behind-the-scenes account from best-selling author Tom Santopietro features new insights from Barbra Streisand, James Woods, Lois Chiles, and Alan Bergman providing the definitive inside story behind the challenges, disputes, and creative passions of those who fought to make this landmark film. Charting the path from screenwriter Arthur Laurents's initial inspiration to the fervent talk of a possible sequel, Santopietro mingles reverence and wry humor to decode the mysterious chemistry between Streisand and Redford that created a romance for the ages. Filled with humorous anecdotes and fascinating first-hand accounts by actors, film historians, and members of the creative team, *The Way We Were: The Making of a Romantic Classic* is a witty, thoughtful, and loving book for everyone who cherishes this American classic.

The Way We Were Dick Curtis, 2006-04-25 The story of Ray Pettit is the story of America: a country of decent and generous people, a country with a heritage and system of government based on liberty and the rights of individuals, a country where opportunity has no bounds. Encouraged by his mill worker parents who were lacking in formal education but not in intelligence, character, and love for their children, he used his natural ability in mathematics and high-level academic achievement as a springboard to great accomplishments in engineering, some of which contributed to the development of today's modern cellphone technology. *Mill Village Boy* begins with the story of a barefoot boy in overalls in the small town of Canton, Georgia, during the depression years of the 1930s. Unconditionally loved by his parents, Ray Pettit went from Class Valedictorian to graduation from Georgia Tech with a degree in Electrical Engineering. This was followed by Masters and Doctor of Philosophy degrees and outstanding achievements in industry and academia. *Mill Village Boy* has elements of intrigue and danger, love and adventure, comedy and sadness, loyalty and betrayal, a fascinating description of an exciting and rewarding life.

The Way We Were Fisher Humphreys, 2002 *The Way We Were* is a book about the theological dimensions of the controversy that shook the foundations of the Southern Baptist Convention during the decades of the 80s and 90s. That controversy began at the national level far from most Baptist laypeople, trickled down to the state Baptist conventions where it included a much broader audience, and now has moved into local churches from forward.
