Shanks, 2015-10-01 When the pulp magazine *Weird Tales* appeared on newsstands in 1923 it proved to be a pivotal moment in the evolution of speculative fiction Living up to its nickname The Unique Magazine *Weird Tales* provided the first real venue for authors writing in the nascent genres of fantasy horror and science fiction *Weird* fiction pioneers such as H P Lovecraft Robert E Howard Clark Ashton Smith Robert Bloch Catherine L Moore and many others honed their craft in the pages of *Weird Tales* in the 1920s and 1930s and their work had a tremendous influence on later generations of genre authors In *The Unique Legacy of Weird Tales: The Evolution of Modern Fantasy and Horror* Justin Everett and Jeffrey Shanks have assembled an impressive collection of essays that explore many of the themes critical to understanding the importance of the magazine This multi disciplinary collection from a wide array of scholars looks at how *Weird Tales* served as a locus of genre formation and literary discourse community There are also chapters devoted to individual authors including Lovecraft Howard and Bloch and their particular contributions to the magazine As the literary world was undergoing a revolution and mass produced media began to dwarf high brow literature in social significance *Weird Tales* managed to straddle both worlds This collection of essays explores the important role the magazine played in expanding the literary landscape at a very particular time and place in American culture *The Unique Legacy of Weird Tales* will appeal to scholars and aficionados of fantasy horror and weird fiction and those interested in the early roots of these popular genres      *Weird Tales*, 1924      *The Yellow Sign and Other Tales* Robert William Chambers, 2000 This massive collection brings together the entire body of Robert W Chambers weird fiction works including material unprinted since the 1890 s Chambers is a landmark author in the field of horror literature because of his *King in Yellow* collection That book represents but a small portion of his weird fiction work and these stories are intimately connected with the Cthulhu Mythos introducing Hali Carcosa and Hastur Short stories from *The King in Yellow* *The Maker of Moons* *The Mystery of Choice* *The Tracer of Lost Persons* *The Tree of Heaven* and two complete books *In Search of the Unknown* and *Police* This book contains all the immortal tales of Robert W Chambers including *The Repairer of Reputations* *The Yellow Sign* and *The Mask* These titles are often found in survey anthologies In
