The White Paper Fan:

Paper Fan Terry Gould, 2010-08-06 For 14K Triad official Steven Wong faking his own death to escape trial was easy But evading investigative reporter Terry Gould impossible For 11 years Terry Gould has tracked the man known as the paper fan through the organized crime circles of six countries This riveting horrifying yet often hilariously funny book is the story of that search a daredevil journey through the seductions and terrors of Steve's world Steven Wong is the paper fan a thirty nine year old Hong Kong born mobster Raised in New York's Chinatown he matured into crime in Vancouver where he founded and headed the murderous Gum Wah Gang in the late 1980s and early 90s In 1992 Wong died in a traffic accident in a remote area of the Philippines before he could be sent to jail for heroin trafficking conveniently just after he'd taken out a million dollar life insurance policy His urn may still be interred in a Vancouver cemetery but today Interpol has a Red Alert arrest warrant out for Wong and his updated file reads like a Hollywood action film a post mortem panorama of organized criminal adventure that circles the Pacific Rim from Macau to Japan from Cambodia to the Philippines Gould's search takes him into a world in which politicians police businessmen and criminals sprint along in one big pack sometimes nipping each other's heels sometimes licking each other's faces and sometimes inviting one another back home for all night mah jong parties Forced to work according to right side up rules honest cops haven't had a chance of arresting Steve in his upside down world Four times Terry Gould has traced Steven Wong through Asia's circles of corruption and pinned him down but the law has let him slip away Fifth time lucky Gangsters are good team players who generally exhibit a locker room familiarity with other men Still it surprised me when Steve answered the door on Monday wearing only his polka dot boxers showing off his biceps and his chest tattooed with the winged dragons and sharp taloned eagle He was talking on the phone and barely interrupted himself as he turned back into the house whereupon I realized that the display was likely done on purpose Neck to waist his back was totally covered by a stylized tableau of a dragon crawling against a background of tigers and flowers a Triad montage no one outside his syndicate world was supposed to see from *Paper Fan* In *Gwan-Dai's Name* Steven Griffiths, 2013-04-04 Hong Kong in the mid 90s A commando style raid on Shatin Racecourse nets HK 270 000 000 and causes the violent deaths of several police guards A special detective team discovers this was perpetrated by ex military from mainland China and funded by local triads But what significance has the headless corpse of a Westerner dumped among the garbage of a Kowloon alley With the handover to China only a few years off nothing must threaten Hong Kong's stability Though the police task force works day and night not even a total security alert can prevent disaster In a chilling time race cops and their shadowy opponents clash in a sequence of explosive engagements throughout Hong Kong Macao the Chinese mainland and even Tokyo **The Homestead**, 1925 *The Dragon Portfolio* Richard Hoyt, Chinese Communists plan to take the American capital markets for half a billion dollars under the counter In a superbly complex plan involving the offer of Chinese state secrets to the CIA agents Ella Nidech and James Burlane must turn the affair to the
