**The Window-Gazer** Ecclestone Isabel MacKay,2008-06-01      The Window-Gazer Isabel Ecclestone Mackay,2018-07-11  
The Window Gazer by Isabel Ecclestone Mackay Professor Spence sat upon an upturned keg and shivered No one had told him that there might be fog and he had not happened to think of it for himself Still fog in a coast city at that time of the year was not an unreasonable happening and the professor was a reasonable man It wasn't the fog he blamed so much as the swiftness of its arrival Fifteen minutes ago the world had been an ordinary world He had walked about in it freely if somewhat irritably following certain vague directions of the hotel clerk as to the finding of Johnston's wharf He had found Johnston's wharf extracted it neatly from a very wilderness of wharves a feat upon which Mr Johnston making boats in a shed at the end of it had complimented him highly We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience      The Window-gazer Isabel Ecclestone Mackay,1921      **The Window Gazer** Isabel MacKay,2015-05-05 The Window Gazer from Isabel Mackay Canadian writer 1878 1928      The Window Gazer Patricia Tosi,2024-02-15 The Window Gazer is a beautifully illustrated book made especially for children aged 3 to 7 Meet Luna an adorable indoor cat who lives a cozy life filled with love and comfort Luna however has a secret longing she dreams of exploring the world beyond her window Luna's heartwarming journey teaches young readers that stepping out of their comfort zones can lead to the most magical and exciting discoveries Join Luna on her adventure as she becomes a wise and fearless feline who inspires everyone to embrace new experiences and follow their dreams The Window Gazer promises to enchant and inspire children to face their fears to try new challenges Dive into the author's captivating storytelling and enchanting illustrations      **Designing the Department Store** Emily M. Orr,2019-11-28 The book builds an original argument for the department store as a significant site of design production and therefore offers an alternative interpretation to the mainstream focus on consumption within retail history Emily M Orr presents a fresh perspective on the rise of modern urban consumer culture of which the department store was a key feature By investigating the production processes of display as well as fascinating information about display making's tools and technologies the skills of the displayman and the meaning and context of design decisions which shaped the final visual effect are revealed In addition the book identifies and isolates display as a distinct moment in the life of the commodity and

understands it as an influential channel of mediation in the shopping experience The assembly and interpretation of a diverse range of previously unexplored primary resources and archives yields fascinating new evidence showing how display achieved an agency which transformed everyday objects into commodities and made consumers out of passersby
