**Ying-Ying Zheng**

## **The Winona LaDuke Reader A Collection Of Essential Writings:**

The Winona LaDuke Reader Winona LaDuke, 2002 The first collection of LaDuke's speeches, articles, and more. This collection will resonate with people interested in issues critical to Native Americans and indigenous peoples worldwide. Library Journal

**Honor the Earth** Phil Bellfy, 2022 The Great Lakes Basin is under severe ecological threat from fracking, bursting pipelines, sulfide mining, abandonment of government environmental regulation, invasive species, warming, and lowering of the lakes, etc. This book presents essays on Traditional Knowledge, Indigenous Responsibility, and how Indigenous people, governments, and NGOs are responding to the environmental degradation which threatens the Great Lakes. This volume grew out of a conference that was held on the campus of Michigan State University on Earth Day 2007. All of the essays have been updated and revised for this book. Among the presenters were Ward Churchill, author and activist; Joyce Tekahnawiiaks King, Director, Akwesasne Justice Department; Frank Ettawageshik, Executive Director of the United Tribes of Michigan; Aaron Payment, Chair of the Sault Sainte Marie Tribe of Chippewa Indians; and Dean Sayers, Chief of the Batchewana First Nation. Winona LaDuke, author, activist, twice Green Party VP candidate, also contributed to this volume. Adapted from the Introduction by Dr. Phil Bellfy: The elements of the relationship that the Great Lakes ancient peoples had with their environment developed over the millennia was based on respect for the natural landscape, pure and simple. The original people of this area not only maintained their lives, they thrived within the natural boundaries established by their relationship with the natural world. In today's vocabulary, it may be something as simple as an understanding that if human beings take care of the environment, the environment will take care of them. The entire relationship can be summarized as harmony and balance based on respect.

*Encyclopedia of the American Indian Movement* Bruce E. Johansen, 2013-04-09 A vivid description of the people, events, and issues that forever changed the lives of Native Americans during the 1960s and 1970s, such as the occupation of Alcatraz, fishing rights conflicts, and individuals such as Clyde Warrior. Rising out of more than a century of poverty and pervasive repression, stoked by the example of the movement against the Vietnam War and the upheaval among Black and Chicano civil rights activists, the American Indian Movement shifted the debate over the Indian problem to a new level. Many Native peoples also took a stand for fishing rights, land rights, and formed resistance to coal and uranium mining on tribal land. This work tells the story of that movement and provides the first encyclopedic treatment of this subject. Providing a vital documentation of a controversial and often surprising period in American Indian history, Bruce E. Johansen, an accomplished scholar and authority on Native American history, provides more than descriptions of historic events and careful analysis; he also frames what occurred in the American Indian Movement personally and anecdotally, drawing from individual stories to illustrate larger trends and to ensure that the material is appealing to high school students, university level readers, and general readers alike.

**Creativity in Exile**, 2016-08-09 Until recently, discussion of creativity in exile has focused almost exclusively on a few European male writers from Dante to Joseph Brodsky, who sought refuge

abroad from political oppression This volume with accompanying 100 minute DVD ranges much more widely to examine the extraordinary creative endeavours in a range of media of men and women in almost every part of the world who for a host of different reasons have experienced displacement from their homelands It brings together papers by academics many of whom have experienced exile themselves on topics as diverse as the visual arts in Colombia fiction by displaced indigenous peoples convicts and slaves as exiles writings about the partition of Bengal the culture of Palestinian Americans philosophers on exile and the significance of cooking to refugee communities which are interspersed with poems by contemporary writers in exile The use of the DVD format has permitted the inclusion of studio interviews with notable exiled writers from Nigeria Cyprus and Bulgaria extracts from two films relating to exile a live reading of his work by an Iraqi poet an audio and sculptural installation by a First Nations Canadian artist and a performance by musicians in exile from Burundi

**Women's Rights in the United States** Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

**Encyclopedia of American Indian History [4 volumes]** Bruce E. Johansen,Barry M. Pritzker,2007-07-23 Contains 450 entries by 110 contributors organized by themes including issues events culture government people and primary sources about American Indians

**Forthcoming Books** Rose Army,2002 **The Greenwood Encyclopedia of Multiethnic American Literature: N - S** Emmanuel Sampath Nelson,2005 Alphabetically arranged entries in five chronological volumes focus on individual authors works and topics related to multiethnic American literature

**Teaching North American Environmental Literature** Laird Christensen,Mark C. Long,Frederick O. Waage,2008 From stories about Los Angeles freeways to slave narratives to science fiction environmental literature encompasses more than nature writing The study of environmental narrative has flourished since the MLA published Teaching Environmental Literature in 1985 Today writers evince a self consciousness about writing in the genre teachers have incorporated field study into courses technology has opened up classroom possibilities and institutions have developed to support study of this vital body of writing The challenge for instructors is to identify core texts while maintaining the field s dynamic open qualities The essays in this volume focus on North American environmental writing presenting teachers with background on environmental justice issues ecocriticism and ecofeminism Contributors

consider the various disciplines that have shaped the field including African American American Indian Canadian and Chicana o literature The interdisciplinary approaches recommended treat the theme of predators in literature ecology and ethics conservation and film A focus on place based literature explores how students can physically engage with the environment as they study literature The volume closes with an annotated resource guide organized by subject matter

**Women's Voices, Feminist Visions** Susan Maxine Shaw, Janet Lee, 2007 An introductory women s studies reader which offers various classic conceptual and experiential writings It contains chapter introductions which provide background information on topics including explanations of key concepts and ideas and references to the subsequent reading selections

**Canadian Books in Print** ,2003 *Library Journal* ,2002 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately

**The California Indian Basketweavers Association** Catherine Louise Cardozo, 2005 Great Lakes and Midwest Catalog Partners Book Distributing, 2007 **The Writers Directory** ,2013 **American Indian Religious**

**Traditions** Suzanne J. Crawford O'Brien, Dennis F. Kelley, 2005-06-29 Combining the work of Native Americans and non Native scholars this reference work explores indigenous North American religions religious practices and rituals This extensive work goes beyond similar surveys that focus only on anthropology and history and explores the religious practices movements institutions key figures ceremonial systems and religious accoutrements indigenous to North America from the precontact era to the present Taking a deep and informed look specifically at the religious and spiritual nature of Native Americans the encyclopedia places traditions within their historical and theoretical context examining their relevance within Native religious life and practice as well as within the academic study of religion Topics covered include key ideas and issues religious and political leaders primary ceremonies mythic figures and related cultural subjects such as basketry whaling farming and bison hunting which have religious significance for Native peoples Contributors include noted scholars of American Indian religious culture including many who come from tribal traditions and can offer valuable insights and observations from their personal experience 150 entries including extensive entries that address complex key ideas and pan tribal movements placing them within their historical and contemporary contexts Comprehensive lists of further readings for each entry that provide the reader resources for deeper research Illustrations including photos of community members prominent places within traditional sacred geographies regalia basketry traditional artwork and more Maps detailing tribal homelands sidebars providing background of regional groups and a listing of recognized tribes *Indigenous Articulations of Identity and Island Place in Contemporary Kanaka Maoli and Ma'ohi Literatures* Dina El Dessouky, 2011 **Lighting the Eighth Fire** Leanne Betasamosake Simpson, 2008 This remarkable collection of essays by leading Indigenous scholars focuses on the themes of freedom liberation and Indigenous resurgence as they relate to the land They analyze treaties political culture governance environmental issues economy and radical social movements from an anti colonial Indigenous

perspective in a Canadian context Editor Leanne Simpson Nishnaabekwe has solicited Indigenous writers that place Indigenous freedom as their highest political goal while turning to the knowledge traditions and culture of specific Indigenous nations to achieve that goal The authors offer frank and political analysis and commentary of the kind not normally found in mainstream books journals and magazines *Hegemonic Love Potion* Jules Boykoff, 2009 Poetry HEGEMONIC LOVE POTION both rollicks and frolics This collection is a social exercise in poetic possibility that through detournement personal reflection and textual imbrication presses the political to inflect the personal and vice versa Along the way this book brings together seemingly disparate thinkers artists actors and writers and refracts them through the lens of poetry appropriating their words and forms and coaxing them into conversation Brad Pitt meets Noam Chomsky Allen Ginsberg meets Paula Abdul Condoleezza Rice meets Kamau Brathwaite **New Books on Women and Feminism**, 2002
