The Witnesses One God One Victory:

The Witnesses Chandler W. Sterling, 1975 Awakening of a Jehovah's Witness Diane Wilson, 2010-05 This tale of mind control the use of fear to manipulate vulnerable people and final escape from a suffocating cult environment is a revealing expose of a secretive contemporary sect as well as a true psychological thriller Diane Wilson spent twenty five precious years of her life first becoming indoctrinated by the dogma of the Watchtower Society and then struggling to free herself from its pervasive intimidating clutches In this probing brutally honest assessment Wilson describes how a childhood of psychological abuse and lack of self confidence rendered her vulnerable to the seductive doctrines of the Jehovah s Witnesses What she reveals about the goings on within the closed Watchtower Society will shock the average person who assumes the polite well dressed people who pass out leaflets are much like any other conservative religious group Wilson contends that membership in the Jehovah s Witnesses requires obedience bordering on psychological enslavement and complete suppression of individuality Her engrossing memoir will be of great interest to former Witnesses students of cult phenomena and anyone who has ever had contact with Jehovah s Witnesses **God in Eisenhower's Life, Military Career, and Presidency** Jerry Bergman, 2019-03-22 As the Supreme Allied Commander in the fight against the Nazis General Dwight Eisenhower was one of the most important leaders of the last century His position as a five star general was crucial in achieving a positive outcome in World War II Today he is considered one of the most respected US presidents but the critical role that his religious beliefs played in his life and work is widely ignored As one historian wrote Eisenhower was the most religious president in the twentieth century He was critical in influencing the nation s enlarged accommodation to faith specifically the Christian faith The central role Eisenhower s faith played in his life from growing up in Abilene Kansas to becoming the most powerful leader in the world is thoroughly documented for the first time in this book Indeed Eisenhower s belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective
