## **The Womens Guide To Legal Rights:**

*The Women's Guide to Legal Rights* Jane Shay Lynch, Sara Lyn Smith, 1979      **Treatment Services for Drug Dependent Women** ,1981      Women and the Law Jacquelyn Harmon Saylor, Penny M. Brown, Georgia Commission on Women, Georgia. Department of Law, 1995      **The State-by-state Guide to Women's Legal Rights** ,1987      **DHHS Publication No. (ADM).** ,1982      **The Legal Rights of Women** Lemuel H. Foster, 1913 Tells women their rights under various conditions of life including how to care for and preserve her property her rights as regard her children and their estates what to do when widowhood comes her rights as a widow and to give her useful information upon matters of business

**Resources in Women's Educational Equity** ,1979      *Women and the Law* Georgia Commission on Women, Penny Brown-Reynolds, Shakura Ingram, 1998      *Resources in Women's Educational Equity: Special Issue* ,1979      *Shana Alexander's State-by-State Guide to Women's Legal Rights* Shana Alexander, 1975 Only a generation or two back women were scarcely differentiated one from the next let alone regarded as people able to think and act for themselves on their own independent of men I wanted simply to compile an orderly and logical explanation and listing of these rights so that an inquiring doubtful troubled or just curious woman in any state in the union could if she cared to look herself up This book is addressed to that side of all women which forever struggles to make order out of chaos to plan to divine and get braced for the future by the opposed but complementary acts of looking up and writing down The activity in itself seems to make one feel a bit more secure to make life a little tidier less inchoate and more comprehensible Looking up is a way of finding out without having to ask or of understanding what to ask It permits the oblique approach to problems that today's woman no longer sure of her place often exalted but just as often dizzied by her recent rapid liberation can find reassuring It encourages the still timid but newly independent mind From the author's introduction      **Women and the Law** Georgia Commission on Women, Latin American Association (Atlanta, Ga.), Georgia. Department of Law, 1999      **Consumer Sourcebook** ,2002      *Gender and Rights* Carol Sanger, 2017-11-28 Gender and Rights presents twenty five essays by leading international scholars and advocates the relationship between rights and gender inequality The essays are organized into six categories rights sources of harm and well being work family violence and political process and participation Particular attention is paid throughout to the relationship between cultural practices and legal rights The volume also highlights the conceptual and the political development of rights claims and rights regimes for women and sexual minorities The essays therefore focus not only on the theoretical justifications for rights but also on the contextual complexities of their enactment implementation enforcement and consequences      **Women's Rights Law Reporter** ,1995      Paperbound Books in Print ,1982      Our Rights, Our Lives Hawaii Women Lawyers, 1990      Subject Catalog, 1979 Library of Congress, 1979      Appleton's Annual Cyclopædia and Register of Important Events of the Year ... ,1889      **The American Annual Cyclopedia and Register of Important Events of the Year ...** ,1888      **Journal of the American Association**
