The Word Of Islam:

Encountering the World of Islam Keith E. Swartley,2005-11-02 This comprehensive evangelistic resource collects articles from eighty authors who have lived throughout the Muslim world You will gain a positive biblical perspective on the history of Islam the current political landscape and much more The Word of Islam John Alden Williams,1994 Compiled with the intention of letting Islam describe itself in its own words this book is an important source for all students of Muslim culture and world religions It includes an interpretation of the Qur an as well as portions of the Hadith sayings and actions of the Prophet Islamic law mysticism Sufism theology and sectarian writings **Words** Bediuzzaman Said Nursi,2010-02-16 The Words forms the first part of the Risale i Nur collection an approximately 6 000 page Qur anic commentary In this commentary Bediuzzaman Said Nursi s main concern is how to save and strengthen one s religious belief when confronted with the current prevalent materialist philosophy It does not explain when or why a verse was revealed but rather the truth that it represents Subjects discussed are God resurrection prophethood destiny ego worship and how the truth of these matters is revealed through nature The author also analyzes naturalist and materialist philosophy as well as scientific theories and findings and refutes them based on evidence that is clearly apparent in nature itself *Across the World of Islam* Samuel Marinus Zwemer,1929 **The Qur'an** Jane Dammen McAuliffe,2020 Millions of non Muslims know the name of the Muslim scripture whether it is written as Qur an or Quran or Koran But for most that is all they know Many have fallen victim to the mass of misinformation that circulates about the Qur an Others may have tried to read the Qur an but the text itself is tough to decipher With no sense of context chronology or interpretive history many would be readers of the Qur an quickly give up the effort As for those trying to find out what the Qur an says about any particular subject or issue they too soon discover that this is not a simple or straightforward undertaking A clear concise introduction to the holy book that guides the lives of 1 6 billion people on our planet this brief volume opens the world of the Qur an to interested readers who want to know where this scripture came from and how it has achieved a profound influence in today s world Writing in an easy to read question and answer format Jane McAuliffe one of the world s foremost scholars of the Qur an introduces readers to this important text by discussing its origins structure themes interpretations and what it has to say about a host of critical contemporary issues Where did the Qur an come from Do Muslims believe that the Qur an is God s own word How do Muslims study the Qur an What does the Qur an say about God About family About ethics About violence By answering the questions that many people have about the Qur an and its role in Muslim faith this book offers an invaluable resource for anyone who is curious about one of the world s most important faiths **Islam** Nagendra Kr Singh,2002 In This Book Author Has Tried To Make It Clear With The Reference Of Islamic Scriptures That The Word Islam Is The Negation Of The Concept Of Violence It Is Neither A Religion Of Violence Nor Violence Is Integral To This Religion Islam Means Surrender To The Will Of God In The One Hand And Establishing Peace On The Other The Word For Peace In Arabic Is Salam When

Muslim Great Each Other They Invoke Peace Salam Alaykum Peace Be On You Thus It Is A Religious Duty Of Muslim To Strive For Establishment Of Peace In Society A Muslim Is One Who Surrender To The Will Of Allah And An Establisher Of Peace Thus Islam Means Establishment Of Peace And Muslim Means Establisher Of Peace Through His Action And Conduct

The Truth About Islam Steve Urick,2014-07-25 Islam which began fourteen hundred years ago in Arabia claims to be the one true religion given to mankind by the one true God Allah and his lone messenger Muhammad It has since grown to almost 1.5 billion followers today and is quickly growing Islam claims to be a peaceful religion but is often known to be violent and threatens the freedom of the entire world What are the teachings of Islam and how does it compare to the Bible The Truth About Islam examines the Quran Koran the God of Islam its pagan origin the Jesus of Islam its salvation plan Sharia law and slavery and its violent ideology of Jihad against all infidels non Muslims in light of the Bible and world history This concise and easy to read book will not only teach you what Islam basically believes but also equip you to confidently reach out to Muslims with the gospel of Christ and refute many of Islam's errors It also clearly presents the gospel of grace to any Muslim who is searching for the truth and desires to know how to have assurance of eternal life **The Islamic Review** Khwajah Kamal al-Din,1913 *IS THE QURAN THE WORD OF GOD?* Edward D. Andrews,2017-06-27 Is the Quran the Word of God This book confronts that question from a conservative evangelical viewpoint weighing the Quran's claims against the bedrock of the Hebrew and Greek Scriptures Beginning with Muhammad's rise in seventh century Arabia the discussion explores Quranic teachings on God Jesus salvation and the afterlife holding them up to the standard set by biblical prophecy historical verification and doctrinal harmony The author demonstrates how the Bible consistently reveals God's purpose culminating in Christ's atoning work whereas the Quran revisits biblical figures but often diverges from core Scriptural truths Each chapter analyzes pivotal issues the Quran's literary claims its alleged continuity with earlier revelations the role of militant jihad in contrast with Christian nonviolence and whether Sharia law can reflect the righteousness displayed in the Bible The author highlights archaeological and manuscript evidence that firmly establishes the Bible's reliability and invites readers to consider whether the Quran meets the same criteria for divine inspiration Throughout the emphasis remains on speaking the truth with respect and patience toward Muslims This volume concludes by showing how believers can witness effectively to Muslims always upholding the Bible as God's complete inerrant revelation Here is both a thoughtful critique of Islam's foundational text and a testimony to the abiding power of biblical faith **The Missionary Review of the World**,1914 **The Moslem World** Samuel Marinus Zwemer,1913 **The Muslim World**,1915 *The Netherlands and the World War*,1928 **Missionary Review of the World**,1888 *Collier's*,1926 [Economic and Social History of the World War](#) Carnegie Endowment for International Peace.
