engaging collection of speeches and essays published on the occasion of Richard C Levin s tenth anniversary as president of  
Yale University reflects both the range of his intellectual passions and the depth of his insight into the work of the university  
By turns analytical reflective and exhortatory Levin explores what it means to be a world class university how the university  
intersects with local and global communities and why a liberal education matters He offers personal recollections of schools  
teachers and traditions of particular importance in his own life And returning to his roots as a professor of economics he  
discusses the competitiveness of American industry and the relations between the market economy and American democracy  
Throughout these writings Levin illuminates and inspires Always his affection for the university shines through Whether  
greeting incoming freshmen meditating on September 11 remembering an intellectual hero saluting graduating seniors  
addressing the League of Women Voters or celebrating Yale s Tercentennial Levin by example shows what a liberal education  
can achieve *Annual Report of the President and of the Offices of Purdue University* Purdue University,1924
