**New Zealand And The World: Past, Present And Future** Robert G Patman,Iati Iati,Balazs Kiglics,2017-12-28 The aim of this book is to provide the reader with an overview of New Zealand s international relations It is a country that has often shown an international presence that is out of proportion to the modest spectrum of national economic military and diplomatic capabilities at its disposal In this volume the editors have called upon a range of specialists representing a range of views drawn from the worlds of academia policy making and civil society It is an attempt to present a rounded picture of New Zealand s place in the world one that does not rely exclusively on any particular perspective The book does not claim to be exhaustive But it does seek to present a more wide ranging treatment of New Zealand s foreign relations than has generally been the case in the past Five broad themes help shape and organize the contributions to the text
