2012 Estimated Wine Production In The World's Top 5 Wine Producing Countries. (Million Unit Cases)

"China hasn't traditionally been considered a New World wine country, but as production there has soared, we're seeing it labeled New World more and more and frequently."

VINEPAIR

The Rapid Rise Of China...

"Domestic production has increased 4x over the past decade, and [China] is now the fifth largest producer of wine globally. The majority of production occurs in the North East provinces, which are largely in line with Mediterranean Europe and Californian growing regions." - Morgan Stanley Research

The Emperor of Wine Elin McCoy,2014-03-25 The first book to chronicle the rise of Robert M Parker Jr the world s most influential and controversial wine critic who over the last twenty five years has dominated the international wine world and embodied the triumph of American taste This is the story of how an American lawyer raised on Coca Cola caused a revolution in the way wines around the globe are made sold and talked about To his legions of fans Parker is a cross between Julia Child and Ralph Nader part enthusiastic sensualist and part consumer crusader To his many enemies he is a self appointed wine judge bent on reducing the meaning of wine to a two digit number The man who now rules the world of wine has been the focus of both adulation and death threats He rose to his pinnacle of power by means of the traditional American virtues of hard work determination and integrity coupled with an unshakeable ego and a maniacal obsession with a beverage that aspires to a seductive art form fine wine Parker s influential bimonthly newsletter The Wine Advocate with more than 45 000 subscribers across the United States and in more than thirty seven countries exerts the single most significant influence on consumers wine buying habits and trends in America Europe and the Far East and impacts the way wine is being made in

every wine producing country in the world from France to Australia Parker has been profiled in countless magazines and newspapers around the world and most of his dozen books have been best sellers in the United States and abroad Yet despite the world's attention and unending acclaim Robert Parker stands at the center of a heated controversy Is he a passionate lover of wine who more than anyone else is responsible for its vastly improved quality or is he as others claim waging a war against centuries of tradition and in the process killing the soul of wine The Emperor of Wine tackles the myriad questions that swirl about Parker and reveals how he became both worshipped and despised revered as an infallible palate by some and blamed by others for remaking the world's wine industry into a single global market causing prices to skyrocket and single handedly reshaping the taste of wine to his own preference Elin McCoy met Robert Parker in 1981 when she was his first magazine editor and she has followed his extraordinary rise ever since In telling Parker's story McCoy gives readers an unmatched authoritative insider's view of the eccentric personalities bitter feuds controversies passions payoffs and secrets of the wine world explaining how wine reputations are made how and why wine critics agree and disagree and tracking the startling ways wines are judged promoted made and sold today This fascinating portrait of a modern day cultural colossus shows how a world that once was the province of gentlemen's clubs and the pastime of stuffed shirts turned into a sensual hobby for the middle class creating a luxury industry bent on making money on a worldwide scale and how one man has revolutionized the way the world thinks about wine

The World Of Wines Introduction

In today's digital age, the availability of The World Of Wines books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The World Of Wines books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The World Of Wines books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The World Of Wines versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The World Of Wines books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The World Of Wines books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The World Of Wines books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The World Of Wines books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The World Of Wines books and manuals for download and embark on your journey of knowledge?
