after Chekhov

The Yalta Game

Brian Friel

The Yalta Game:

The Yalta Game Brian Friel,2001 This marvelously inventive new play is based on a theme in Chekhov s celebrated 1899 short story The Lady with the Lapdog At an end of season resort on the shore of the Baltic Sea a pair of strangers play the unacknowledged Yalta game by divining others lives or investing the lives of others with an imagined life These companions in adventure seek an end to loneliness in the conviction that disappointments are only the postponement of the complete happiness which has to come Freil has unraveled a thread of Chekhov s original and woven it afresh into a startling tapestry of longings and resolutions

The Yalta Game Brian Friel,2019 **Three Plays After** Brian Friel,2002 Brian Friel explores the most Chekhovian of themes in his three new works inspired by the great Russian dramatist the absurd realm which lies between perpetual hope and a penchant for self destruction Whether exploring the loneliness of an unhappy marriage in The Yalta Game based on Chekhov s story The Lady with the Lapdog or imagining the bittersweet meeting of Sonya Uncle Vanya s niece and Andrei the brother of a certain three sisters in a new work inspired by characters from two Chekhov plays Friel shows his own masterful range

The Quality of Life Richard Pine,2021-06-09 These essays represent a selection of 40 years commentary on the political dimensions of cultural life They address the entire spectrum of culture from theories of international communication to the provision of cultural and leisure facilities at local level As a former consultant to the Council of Europe the author has developed a penetrating insight into the decision making process between local authorities and citizens groups which is discussed in two seminal papers from the 1980s which pioneered the concept of Cultural Democracy In addition the book s close readings of novels and plays by Irish and Greek writers explore the way that all writing and forms of self expression have a political message and repercussions

The Theatre of Brian Friel Christopher Murray,2014-04-24 A Critical Companion to the theatre of Ireland s foremost living playwright whose work spans fifty years and has won numerous awards including three Tonys and a Lifetime Achievement Arts Award Christopher Murray s study is the definitive guide to Brian Friel s work for students and theatre goers alike

About Friel Tony Coult,2011-11-17 This series contains what no other study guides can offer extensive first hand interviews with the playwrights and their closest collaborators on all of their major work put together by top academics especially for the modern student market As well as invaluable synopses biographical essays and chronologies these guides allow the student much closer to the playwright than ever before In About Friel teacher and playwright Tony Coult has selected an extensive and stimulating range of documents and interview material that explores Friel s life work and the experiences of his collaborators and fellow artists who put that work on stage including Patrick Mason Connall Morrison Joe Dowling and actors Catherine Byrne and Mark Lambert If you want to read just one book on Brian Friel and the titanic power of his work this is it

Restoring the World, 1945 Nicolas W. Proctor,John E. Moser,2020-05-15 The devastation of the Second World War is coming to an end As victory for the Grand Alliance draws close the leaders of Great Britain the Soviet Union and the United

States gather at Yalta a resort town on the Black Sea for the most important summit meeting of the war Can the great powers finalize their plans for a new world order or will their often antagonistic ideologies prevent them from forging a lasting peace Restoring the World immerses students in the Yalta Conference as they take on the roles of Churchill Roosevelt Stalin as well as the members of their military and diplomatic delegations They all want peace but what kind of peace will they create

Adapting Chekhov J. Douglas Clayton, Yana Meerzon, 2013 This book considers the hundred years of re-writes of Anton Chekhov's work presenting a wide geographical landscape of Chekhovian influences in drama The volume examines the elusive quality of Chekhov's dramatic universe as an intricate mechanism an engine in which his enigmatic characters exist as the dramatic and psychological ciphers we have been decoding for a century and continue to do so Examining the practice and the theory of dramatic adaptation both as intermedial transformation from page to stage and as intramedial mutation from page to page the book presents adaptation as the emerging genre of drama theatre and film This trend marks the performative and social practices of the new millennium highlighting our epoch's need to engage with the history of dramatic forms and their evolution The collection demonstrates that adaptation as the practice of transformation and as a rethinking of habitual dramatic norms and genre definitions leads to the rejuvenation of existing dramatic and performative standards pioneering the creation of new traditions and expectations As the major mode of the storytelling imagination adaptation can build upon and drive the audience's horizons of expectations in theatre aesthetics Hence this volume investigates the original and transformative knowledge that the story of Chekhov's drama in mutations offers to scholars of drama and performance to students of modern literatures and cultures and to theatre practitioners worldwide

The Oxford Handbook of Modern Irish Theatre Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right

Irish University

Review ,2004 *British and Irish Short-fiction Writers, 1945-2000* Cheryl Alexander Malcolm,David Malcolm,2006 Essays on British and Irish authors of short stories written between 1945 and 2000 that are traditional in subject matter and technique and cover social political and economic changes that occurred during this time The Irish contribution to short fiction in English is second to none Short fiction in languages other than English also plays a significant role in the postwar British and Irish literary world including the use of the working class Scottish dialect *Critical Survey of Drama: Maria Irene Fornes - Tina Howe* ,2003 **Telos** ,1982 Piano / Forte Terry Johnson,2006 Piano Forte is a bold new comedy staged at the Royal Court Theatre London in September 2006 On the eve of his wedding to the glamorous Dawn Clifford s plans for a joyous celebration are thrown **The Dramatist** ,2005 **The Unbearable Burden of History** Ivan Sviták,1990 Dotyczy m in Polski **Plays International** ,2003 **The Ivan R. Dee Guide to Plays and Playwrights** Trevor R. Griffiths,2003 Here is the most useful and comprehensive reference book for contemporary theatre now available *HJEAS* ,2002 **Gate Theatre World Premiere** Dublin Gate Theatre,2001
