THE YOUNG LUKACS AND THE  
ORIGINS OF WESTERN MARXISM

# The Young Lukaacs

**Andrew Arato, Paul Breines**

## The Young Lukaacs:

The Young Lukács Lee Congdon, 1983 Based upon recently found manuscripts and correspondence The Young Lukacs is the first comprehensive and fully researched portrait of Georg Lukacs to appear in any language Lee Congdon finds in the young Lukacs s estrangement from his family and from Hungarian society roots for his continuing concern with the philosophic problem of alienation The chance discovery in 1972 of Lukacs s early manuscripts and correspondence has made possible an authoritative intellectual biography of this major Marxist thinker Congdon has mined the wealth of material in the Lukacs Archives in Budapest and drawn upon Hungarian scholarship that is all but unknown in the West The result is a biography that reveals the relationship between the ideas Lukacs entertained the world in which he lived and the conditions of his personal existence Congdon argues that Lukacs s understanding of Simmel Dostoevski and Hegel was profoundly affected by the world of fin de siecle Europe the Great War and the Russian Revolution The evolution of Lukacs s own ideas Congdon finds was an expression of his relationships with three women Irma Siedler Ljena Grabenko and Gertrud Bortstieber No one writing in any language has previously examined Lukacs s life and work in this context Although Congdon acknowledges some sympathy for the young Lukacs and his enthusiasms he shows that the brilliant and sensitive thinker in the words of Dostoevski started out with the idea of unrestricted freedom and arrived at unrestricted despotism The tragedy of Lukacs he concludes was that he hated injustice more than he loved human beings Originally published in 1983 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value The Young Lukács and the Origins of Western Marxism Andrew Arato, Paul Breines, 1979 The Young Lukács and the Origins of Western Marxism Andrew Arato, Paul Breines, 1979 *Georg Lukács and His Generation, 1900-1918* Mary Gluck, 1991 Here is Luk cs among friends lovers and peers in those important years before 1918 when he converted to Communism and Marxism at the age of 39 Luk cs emerges as dramatic and psychologically complex but also as a figure whose dilemmas were echoed in the lives of other radical intellectuals who came of age during the fin de si cle period *Georg Lukacs Reconsidered* Michael Thompson, 2011-04-07 An international team of contributors explore contemporary insights into the work of Georg Lukacs in political theory aesthetics ethics and social and cultural theory *The Young Lukacs and the Origins of Western Marxism* Andrew Arato, Paul Breines, 1979-01-01 **Marxism and Totality** Martin Jay, 1984 Totality has been an abiding concern from the first generation of Western Marxists most notably Luk cs Korsch Gramsci and Bloch through the second exemplified by the Frankfurt School Lefebvre Goldmann Sartre Merleau Ponty and Della Volpe up to the most recent typified by Althusser Colletti and Habermas Yet no consensus has been reached concerning the term s multiple meanings expressive decentered longitudinal latitudinal normative or its implications for other theoretical and practical matters By closely

following the adventures of this troublesome but central concept Marxism Totality offers an unconventional account of the history of Western Marxism

**Recovering the Later Georg Lukács** Matthew J. Smetona, 2023-04-25 New resources for the critique of capitalism in culture from the late writings of Georg Lukács one of the first authors in the tradition of Western Marxism The Hungarian literary critic philosopher and Marxist social theorist Georg Lukács is best known for his 1923 *History and Class Consciousness* in which he offered an influential critique of reification from the standpoint of a dialectical conception of totality While Lukács's early works have been central to the study of Marxist thought his later works have often been dismissed as political accommodations to Stalinism In this new study Matthew Smetona argues for a revisionist interpretation of Lukács's later writings on topics as diverse as aesthetics politics and ontology Smetona demonstrates that these writings reveal a methodological unity that follows directly from *History and Class Consciousness* in which realism in both literary and extraliterary senses becomes the basis for the critique of reification As Lukács had demonstrated reification is that process by which the social relations between persons seem to take on the character of a thing Rooted in Marx's concept of commodity fetishism the critique of reification proved in Lukács's hands to be a flexible tool capable of clarifying all manner of obfuscations that arise within the social relations that capitalism produces To recover the later work of Lukács is to open up new horizons for Marxist cultural criticism

**Forms of Modernity** Rachel Lynn Schmidt, 2011-01-01 It's a critical cliché that Cervantes' *Don Quixote* is the first modern novel but this distinction raises two fundamental questions First how does one define a novel And second what is the relationship between this genre and understandings of modernity In *Forms of Modernity* Rachel Schmidt examines how seminal theorists and philosophers have wrestled with the status of Cervantes' masterpiece as an exemplary novel in turn contributing to the emergence of key concepts within genre theory Schmidt's discussion covers the views of well-known thinkers such as Friedrich Schlegel José Ortega y Gasset and Mikhail Bakhtin but also the pivotal contributions of philosophers such as Hermann Cohen and Miguel de Unamuno These theorists' examinations of Cervantes' fictional knight errant character point to an ever-shifting boundary between the real and the virtual Drawing from both intellectual and literary history *Forms of Modernity* richly explores the development of the categories and theories that we use today to analyze and understand novels

**Trames**, 1997

**The Ontology of Georg Lukács** Fariborz Shafai, 1996

*The Search for the Revolutionary Subject: the Philosophy and Social Theory of the Young Lukács 1910-1923* Andrew Arato, 1975

**Georg Lukács and Thomas Mann** Judith Marcus, 1994 Judith Marcus uncovers the literary interaction between two of the great figures of 20th-century intellectual and cultural life the creative artist Thomas Mann (1875-1955) and Georg Lukács (1885-1971) the literary critic It is based on their correspondence and other archival material

*The Report of the British and Foreign Bible Society* British and Foreign Bible Society, 1910 Vols 1-64 include extracts from correspondence

**On Hegel's Epistemology and Contemporary Philosophy** Tom Rockmore, 1996 Aimed at specialists as well as graduate and select undergraduate students this study centers on Hegel's important but

neglected theory of knowledge Professor Rockmore interprets Hegel as reacting to the Kantian effort to reformulate epistemology in the wake of what Kant contends is the failure of earlier dogmatic theories Recent work has shown that Hegel's epistemology is a good deal more respectable than has usually been thought Rockmore's aim is to continue that work in order to bring Hegel into the main discussion of knowledge Rockmore's main argument for the relevance of Hegel's theory to the problem of knowledge is that with the apparent failure of foundationalism Hegel's antifoundationalist theory that sees knowledge as perspectival and historical supplies two items helpful to advance the epistemological discussion György Lukács Éva Fekete,Éva Karádi,1981 Lukacs's Road to God Michael Holzman,1985 The Johns Hopkins Guide to Literary Theory and Criticism Michael Groden,Martin Kreiswirth,Imre Szeman,2005 Publisher Description Hungarian Studies ,1997 Asthetic Reenchantments Brett Richard Wheeler,1998
