The Yukon Trail William MacLeod Raine,1917 **The Yukon Trail** William Macleod Raine,2021-03-04 Passions and greed mingle with bravery and treachery and run as deep as the cold Yukon River through frontier gold rush days in Alaska A classic tale of the Old Far North *The Spirit of Missions* ,1905 Includes the proceedings of the annual meeting of the Society The Yukon Trail: A Tale of the North William MacLeod Raine, The midnight sun had set but in a crotch between two snow peaks it had kindled a vast caldron from which rose a mist of jewels garnet and turquoise topaz and amethyst and opal all swimming in a sea of molten gold The glow of it still clung to the face of the broad Yukon as a flush does to the soft wrinkled cheek of a girl just roused from deep sleep Except for a faint murkiness in the air it was still day There was light enough for the four men playing pinochle on the upper deck though the women of their party gossiping in chairs grouped near at hand had at last put aside their embroidery The girl who sat by herself at a little distance held a magazine still open on her lap If she were not reading her attitude suggested it was less because of the dusk than that she had surrendered herself to the spell of the mysterious beauty which for this hour at least had transfigured the North to a land all light and atmosphere and color Gordon Elliot had taken the boat at Pierre s Portage fifty miles farther down the river He had come direct from the creeks and his impressions of the motley pioneer life at the gold diggings were so vivid that he had found an isolated corner of the deck where he could scribble them in a notebook while still fresh But he had not been too busy to see that the girl in the wicker chair was as much of an outsider as he was Plainly this was her first trip in Gordon was a stranger in the Yukon country one not likely to be over welcome when it became known what his mission was It may have been because he was out of the picture himself that he resented a little the exclusion of the young woman with the magazine Certainly she herself gave no evidence of feeling about it Her long lashed eyes looked dreamily across the river to the glowing hills beyond Not once did they turn with any show of interest to the lively party under the awning From where he

was leaning against the deckhouse Elliot could see only a fine chiseled profile shading into a mass of crisp black hair but some quality in the detachment of her personality stimulated gently his imagination He wondered who she could be His work had taken him to frontier camps before but he could not place her as a type The best he could do was to guess that she might be the daughter of some territorial official on her way in to join him A short thick set man who had ridden down on the stage with Elliot to Pierre s Portage drifted along the deck toward him He wore the careless garb of a mining man in a country which looks first to comfort
