The Zen Of Creativity:

The Zen of Creativity John Daido Looi, 2007-12-18 For many of us the return of Zen conjures up images of rock gardens and gently flowing waterfalls We think of mindfulness and meditation immersion in a state of being where meaning is found through simplicity Zen lore has been absorbed by Western practitioners and pop culture alike yet there is a specific area of this ancient tradition that hasn't been fully explored in the West Now in *The Zen of Creativity* American Zen master John Daido Looi presents a book that taps the principles of the Zen arts and aesthetic as a means to unlock creativity and find freedom in the various dimensions of our existence Looi dissolves the barriers between art and spirituality opening up the possibility of meeting life with spontaneity grace and peace Zen Buddhism is steeped in the arts In spiritual ways calligraphy poetry painting the tea ceremony and flower arranging can point us toward our essential boundless nature Brilliantly interpreting the teachings of the artless arts Looi illuminates various elements that awaken our creativity among them still point the center of each moment that focuses on the tranquility within simplicity in which the creative process is uncluttered and unlimited like a cloudless sky spontaneity a way to navigate through life without preconceptions with a freshness in which everything becomes new mystery a sense of trust in the unknown creative feedback the systematic use of an audience to receive noncritical input about our art art koans exercises based on paradoxical questions that can be resolved only through artistic expression Looi shows how these elements interpenetrate and function not only in art but in all our endeavors Beautifully illustrated and punctuated with poems and reflections from Looi's own spiritual journey *The Zen of Creativity* presents a multilayered bottomless source of insight into our creativity Appealing equally to spiritual seekers artists and veteran Buddhist practitioners this book is perfect for those wishing to discover new means of self awareness and expression and to restore equanimity and freedom amid the vicissitudes of our lives *The Zen of Creativity*
