Theater Of Night:

Saturday Night, 1925 **Murder at Ford's Theatre** Brendan H. Egan, Jr., 2008-08-22 It was a sad generation that limped past 1865 Almost every family had been touched by death and many had been torn apart as sons brothers and fathers chose different sides in the Civil War Murder at Fords Theatre is a history of an assassination with the Civil War as its tragic backdrop and with characters to match this tragedy There was Lewis Paine the devoted follower and David Herold who wanted desperately to belong and lose his reputation as an untrustworthy loafer There are tragic failures of Mary Surratt and Dr Samuel Mudd as well as Abraham Lincoln unappreciated by the public until his martyrdom Lincoln refused security and put himself in harms way Harm came in the form of John Wilkes Booth an acclaimed actor who wanted to save his beloved South and believed there was only one way to accomplish his goal Booth had grown up with his own demons depression and odd behavior were part of his family background His darker side was hate When the war broke out Booth took up the southern cause the rest of the family sided with the North Lincoln was a perfect object for Booths hatred He suspended Habeas Corpus put many anti war advocates in jail continued the war with its grisly pile of human deaths refused to negotiate a treaty and wrote Emancipation Proclamation Booth who had spent the war in a noncombat position at the behest of his mother received news of the end of the war with increased anger Soon it would be too late to become a hero His hasty and disorganized plan to assassinate Lincoln went awry Booth did shoot Lincoln but during his escape he broke his ankle an injury that slowed him and led to his capture and death Only the Bible has been written about more than the Civil War and the assassination of Lincoln is a part of that story This is that story **The Theater of Night** Alberto Ríos, 2016-08-01 In this rhapsodic series of poems R os presents the story of Ventura and Clemente R os a married couple living near the United States Mexico border R os s project is indebted to magic realism but rooted in naturalism The New Yorker R os creates the feeling of enchanted or intimate lore within a family and evokes the mysterious and unexpected forces that dwell inside the familiar The Washington Post Now in paperback and following the success of his National Book Award nomination Alberto R os new book is filled with magic marvel and emotional truth Set along the elusive southern border his poems trace the lives and loves of an elderly couple through their childhood and courtship to marriage maturity old age and death Like the best of storytellers R os charms his readers making us care deeply even love these people we read From The Chair She Sits In I ve heard this thing where when someone dies People close up all the holes around the house The keyholes the chimney the windows Even the mouths of the animals the dogs and the pigs It s so the soul won t be confused or tempted Alberto R os the poet laureate of Arizona teaches at Arizona State University He is the author of eight books of poetry three collections of short stories and a memoir *Harper's Magazine* Henry Mills Alden, Thomas Bucklin Wells, Lee Foster Hartman, Frederick Lewis Allen, 1919 Important American periodical dating back to 1850 *The Tammany Times*, 1896 **The Theatre**, 1890

Dearborn Independent, 1925 International Music and Drama, 1914 **Kitchen Sink Realisms** Dorothy Chansky, 2015-11-05 From 1918's *Tickless Time* through *Waiting for Lefty* *Death of a Salesman* *A Streetcar Named Desire* *A Raisin in the Sun* and *The Prisoner of Second Avenue* to 2005's *The Clean House* domestic labor has figured largely on American stages No dramatic genre has done more than the one often dismissively dubbed kitchen sink realism to both support and contest the idea that the home is naturally women's sphere But there is more to the genre than even its supporters suggest In analyzing kitchen sink realisms Dorothy Chansky reveals the ways that food preparation domestic labor dining serving entertaining and cleanup saturate the lives of dramatic characters and situations even when they do not take center stage Offering resistant readings that rely on close attention to the particular cultural and semiotic environments in which plays and their audiences operated she sheds compelling light on the changing debates about women's roles and the importance of their household labor across lines of class and race in the twentieth century The story begins just after World War I as more households were electrified and fewer middle class housewives could afford to hire maids In the 1920s popular mainstream plays staged the plight of women seeking escape from the daily grind African American playwrights meanwhile argued that housework was the least of women's worries Plays of the 1930s recognized housework as work to a greater degree than ever before while during the war years domestic labor was predictably recruited to the war effort sometimes with gender bending results In the famously quiescent and anxious 1950s critiques of domestic normalcy became common and African American maids gained a complexity previously reserved for white leading ladies These critiques proliferated with the re emergence of feminism as a political movement from the 1960s on After the turn of the century the problems and comforts of domestic labor in black and white took center stage In highlighting these shifts Chansky brings the real home
