Theater And Society In The Classical World:

Theater and Society in the Classical World Ruth Scodel,1993 Examines the wide scope of classical drama

Theater and Society in the Classical World Ruth Scodel,2026-02-16 Powerful and evocative persuasive frightening and inspiring the comedies and tragedies written in classical antiquity are all of these In recent years the study of ancient drama has become ever more exciting and controversial The social context of Greek drama especially has drawn attention and a new understanding of Roman comedy has arisen Theater and Society in the Classical World draws together the work of numerous international scholars Both collectively and individually these works illustrate the continuing power and voice of ancient drama and they help reveal some of the reasons why these plays still speak to us today Among the essays are several that investigate the important relations between Greek drama and ritual A second group examines the value of dramatic texts as sources for social history while a third looks at the ways in which Roman authors creatively transformed their sources This volume presents papers delivered at a conference at the University of Michigan held under the joint auspices of the Institute for the Humanities and the Department of Classical Studies

Constructing Identities in Late Antiquity Richard Miles,2002-03-11 Identity is a trendy and hot topic in classics Eminent contributors including Pat Easterling Gillian Clarke Identity examined from different perspectives and as different structures sexual ethnic geographic status religions comprehensive Theoretically and critically up to date

Silent Eloquence Ismene Lada-Richards,2013-11-20 One of the greatest aesthetic attractions in the ancient world was pantomime dancing a ballet style entertainment in which a silent solo dancer incarnated a series of mythological characters to the accompaniment of music and sung narrative Looking at a multitude of texts and particularly Lucian's *On the Dance* a dialogue written at the height of pantomime's popularity this innovative cultural study of the genre offers a radical reassessment of its importance in the symbolic economy of imperial and later antiquity Rather than being trivial or lowbrow pantomime was thoroughly enmeshed in wider social discourses on morality and sexuality gender and desire and a key player in the fierce battles about education and culture that raged in the ancient world A close reading of primary sources judiciously interlaced with a wealth of interdisciplinary perspectives makes this challenging book essential for anyone interested in the performance culture of the Greek and Roman world

[The Classical World](#) ,1910 [A Handbook to the Reception of Greek Drama](#) Betine van Zyl Smit,2016-02-29 *A Handbook to the Reception of Greek Drama* offers a series of original essays that represent a comprehensive overview of the global reception of ancient Greek tragedies and comedies from antiquity to the present day Represents the first volume to offer a complete overview of the reception of ancient drama from antiquity to the present Covers the translation transmission performance production and adaptation of Greek tragedy from the time the plays were first created in ancient Athens through the 21st century Features overviews of the history of the reception of Greek drama in most countries of the world Includes chapters covering the reception of Greek drama in modern opera and film

The Poetics of Seneca's Oedipus Thomas David

Kohn,2001 **ZPE** ,1967 **The Comedies of Aristophanes /edited by Alan H. Sommerstein: Frogs**
Aristophanes,1996 **The Comedies of Aristophanes /edited by Alan H. Sommerstein: Ecclesiazusae**
Aristophanes,1980 **Theatre in Ancient Greek Society** J. R. Green,2013-04-15 In Theatre in Ancient Greek Society the author examines the social setting and function of ancient Greek theatre through the thousand years of its performance history Instead of using written sources which were intended only for a small educated section of the population he draws most of his evidence from a wide range of archaeological material from cheap mass produced vases and figurines to elegant silverware produced for the dining tables of the wealthy This is the first study examining the function and impact of the theatre in ancient Greek society by employing an archaeological approach *Roman Culture and Society* Elizabeth Rawson,1991 The late Elizabeth Rawson 1934 1988 was a distinguished specialist in the history society and culture of the later Roman Republic and Augustan period whose sudden death at the end of a visit to China came when she was at the height of her powers and had just been elected as a Fellow of the British Academy Her papers form a closely related group published over a short period of time between 1971 and 1989 The topics covered include the workings of Roman politics and society historical and antiquarian thinking at Rome and literary and cultural history They are reproduced here in the order in which they were published and together form an essential contribution to the understanding of the central period of Roman history [History of the Theatre](#) Oscar Gross Brockett, Franklin Joseph Hildy,2003 Chronicles the evolution of the theater from its beginnings to the early twenty first century covering styles creative and technical elements and the theater s impact on society and culture Focuses largely on Europe and the U S but also discusses Africa Asia Latin America Canada Australia and New Zealand **Lectures and Memoirs** ,1993 **The Cumulative Book Index** ,1995 A world list of books in the English language [The Theban Plays](#) Sophocles,2009-03-20 Sophocles Theban Plays Oedipus the King Oedipus at Colonus and Antigone lie at the core of the Western literary canon They are extensively translated universally taught and frequently performed Chronicling the downfall of Oedipus the legendary king of Thebes and his descendants the Theban Plays are as relevant to present day thought about love duty patriotism family and war as when they were written 2 500 years ago Recent translations of the plays while linguistically correct often fail to capture the beauty of Sophocles original words In combining the skills of a distinguished poet Ruth Fainlight and an eminent classical scholar Robert J Littman this new edition of the Theban Plays is both a major work of poetry and a faithful translation of the original works Thoughtful introductions extensive notes and glossaries frame each of the plays within their historical contexts and illuminate important themes mythological roots and previous interpretations This elegant and uncommonly readable translation will make these seminal Greek tragedies accessible to a new generation of readers **Report of the Department of Antiquities, Cyprus** Cyprus. Tmēma Archaioetētōn,2004 **A Feminist Companion to Patristic Literature** Amy-Jill Levine, Maria Mayo Robbins,2008-07 In its twelfth volume this text examines a number of Patristic texts and early Christian documents from a

feminist perspective Intertexts ,1998 **Surviving Greek Tragedy** Robert Garland,2004 Surviving Greek Tragedy is a history of the physical survival to the present day of the thirty two extant tragedies of Aeschylus Sophocles and Euripides Beginning with the first revival of the plays in the fourth century BC it charts the course of their transmission down the centuries as they passed through the hands of actors readers scholars schoolteachers monks publishers translators and theatre directors Over the course of this 2 400 year period the plays were at different times performed copied quoted emended excerpted analysed taught translated censored adapted or merely left to moulder in a library as each successive culture charged with their safe keeping saw fit In the last thirty years Greek tragedy has become the medium through which most people encounter the classical heritage and in the book Garland gives extensive coverage to modern stagings of the plays all over the world taking this fascinating story right up to the present Fully illustrated with images from all the periods under discussion from Greek vase paintings to Deborah Warner s production of Medea at the Queen s Theatre London

Uncover the mysteries within its enigmatic creation, Discover the Intrigue in **Theater And Society In The Classical World** .
