Theater Anders:

Postmigration, Transculturality and the Transversal Politics of Art Anne Ring Petersen, 2023-11-16 This is the first book to develop a postmigrant analytical perspective for the study of art concentrating on how postmigration reopens the study of contemporary art and migration The book introduces art historians and other scholars with a methodological interest in cultural analysis to the innovative concept of postmigration offering a comprehensive introduction to the various meanings and uses of the term as well as translating it methodologically to an art historical context The book analyses art projects from Denmark Germany and Great Britain which address some of the current challenges to European societies of immigration and by drawing on theory from fields such as migration studies transcultural studies and feminist postcolonial and political theory as well as re engaging established concepts such as imagination commemoration belonging identity racialization community public space and participation The book will be of interest to scholars working in art history art and politics migration studies and transcultural studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Funded by The Novo Nordisk Foundation The Novo Nordisk Foundation s Committee on Research in Art and Art History Grant No NNF19OC0053992

New Horizons Shia Woods, 2024-10-15 Quinn Collins is ready for her Off Broadway debut With her modeling days behind her and a contract secured for her one woman show at the prestigious Horizon Theater she s eager for a fresh start Alex Anders was born into the world of theater Her father owns one of Manhattan s most distinguished theater companies and Alex has spent her life performing Now the managing director for Horizon Alex is content to be around the stage even if she s not on it As Quinn prepares for her opening night and Alex works to clinch Horizon s coveted executive director position ghosts from Alex s past may jeopardize both their goals Neither of them can afford a romantic distraction but the pull of their attraction is hard to resist Their love story may be the encore performance of Alex s worst fears or the one act that could change their lives forever

Leslie's, 1912

A Reasonable Doubt Phillip Margolin, 2020-03-10 A magician linked to three murders and suspicious deaths years ago disappears in the middle of his new act in New York Times bestseller Phillip Margolin s latest thriller featuring Robin Lockwood Robin Lockwood is a young criminal defense attorney and partner in a prominent law firm in Portland Oregon A former MMA fighter and Yale Law graduate she joined the firm of legal legend Regina Barrister not long before Regina was forced into retirement by early onset Alzheimer s One of Regina s former clients Robert Chesterfield shows up in the law office with an odd request he s seeking help from his old attorney in acquiring patent protection for an illusion Chesterfield is a professional magician of some reknown and he has a major new trick he s about to debut This is out of the scope of the law firm s expertise but when Robin Lockwood looks into his previous relationship with the firm she learns that twenty years ago he was arrested for two murders one attempted murder and was involved in the potentially suspicious death of his very rich wife At the time Regina Barrister defended him with ease after

which he resumed his career as a magician in Las Vegas Now decades later he debuts his new trick only to disappear at the end He s a man with more than one dark past and many enemies is his disappearance tied to one of the many people who have good reason to hate him Was he killed and his body disposed of or did he use his considerable skills to engineer his own disappearance Robin Lockwood must unravel the tangled skein of murder and bloody mischief to learn how it all ties together

How to Dodge a Cannonball Dennard Dayle,2025-06-17 How to Dodge a Cannonball is a razor sharp satire that dives into the heart of the Civil War hilariously questioning the essence of the fight not just for territory but for the soul of America How to Dodge a Cannonball is funnier than the Civil War should ever be It follows Anders a teenage idealist who enlists and reenlists to shape the American Future as soon as he figures out what that is who it includes and why everyone wants him to die for it Escaping his violently insane mother is a bonus Anders finds honor as a proud Union flag twirler until he s captured Then he tries life as a diehard Confederate until fate asks him to die hard for the Confederacy at Gettysburg Barely alive Anders limps into a Black Union regiment in a stolen uniform While visibly white he claims to be an octoroon and they claim to believe him Only then does his life get truly strange His new brothers are even stranger including a science fiction playwright a Haitian double agent and a former slave feuding with God Despite his best efforts Anders starts seeing the war through their eyes sparking ill timed questions about who gets to be American or exploit the theater of war Dennard Dayle s satire spares no one as doomed charges draft riots gleeful arms dealers and native suppression campaigns test everyone s definition of loyalty Uproariously funny and revelatory How to Dodge a Cannonball asks if America is worth fighting for And then answers loudly Read it while it s still legal *Journal of Cultural Management and Cultural Policy/Zeitschrift für Kulturmanagement und Kulturpolitik*

Constance DeVereaux,Steffen Höhne,Martin Tröndle,Miriam Paeslack,2024-07-08 The Journal of Cultural Management and Cultural Policy offers international perspectives on a wide range of issues in cultural management and cultural policy research and practice Attendance at museums and other arts organizations has decreased worldwide even predating COVID Audiences have been slow to return to performances and exhibits Reasons include lack of access lack of time high cost persistent inequities poor engagement between arts organizations and the community and even lack of interest Concern about non attendance has led to coining the term non visitors This issue seeks answers to this problem through two critical lenses of engagement and non visitor studies **What**

War May Bring Eva Fischer-Dixon,2016-03-31 Anders van Niekerk and Danie de Villiers were inseparable friends growing up outside Pretoria South Africa They did everything together so nobody was surprised when both decided to join the British Royal Marines There was a secret kept between the friends one of them had a violent temper that the other had covered up until an event in Kabul Afghanistan during their third tour of duty When an Afghan family was brutally raped and murdered the friend with the even temper confronted the violent one and denounced his actions During a patrol due to a questionable IED explosion one friend watched the other one die and after that event his life was never the same again After being treated

in London for PTSD he was allowed to return to South Africa where he was supposed to continue his treatment. During his stay at the clinic he immediately fell in love with his young psychiatrist Dr Gerda van Heerden. She also develops feelings for the young man in her care. Gerda investigates his background and draws a shocking conclusion that affects her not only personally but professionally as well. What happened in Afghanistan? Who truly died in Afghanistan? When the truth is revealed during a storytelling session, it becomes clear that the problem with her patient is not only PTSD. His deep and disturbing secret, which surfaced during the sessions, might destroy not only the young doctor but also everyone around her. Would she be able to use deadly force to prevent other atrocities? Dr Gerda van Heerden has a tough choice to make and only minutes to decide.

Queer Urbanisms in Wilhelmine and Weimar Germany Mathias Foit, 2023-12-28. This book explores the queer history of the easternmost provinces of the German Reich, regions that used to be German but which now mostly belong to Poland in the first third of the twentieth century, a period roughly corresponding to the duration of Germany's first queer movement (1897-1933). While the amount of queer historical studies examining entire towns and cities in the German Reich has grown to an impressive size since the 1990s, most of that research concerns firstly the usual large metropolises such as Berlin, Hamburg, or Cologne, and secondly municipalities located in Germany proper that is within its modern borders, not those of the German state in the first half of the twentieth century. Smaller cities, not to mention rural areas, in particular, have received very little scholarly attention. This book is therefore one of the first to examine queer history that of spaces, culture, sociability, and political groups specifically from this geographical perspective.
