

Upon this battle depends the survival of Christian civilization.

Upon it depends our own British life and the long continuity of our institutions, and our Empire.

The whole fury and might of the enemy must very soon be turned on us.

Hitler knows that ~~we~~<sup>he</sup> will hv to break us in this Island, or lose the war.

If we can stand up to him, all Europe may be freed, and the life of the world may move forward into ~~the~~ broad and sunlit uplands.

But if we fail, then the whole world, including the United States, and all that we have known and cared for, will sink into the abyss of a new Dark Age made more sinister and perhaps more prolonged by the lights of perverted Science.

Let us therefore brace ourselves to our duty, and so bear ourselves that if the British Empire and Commonwealth lasts for a thousand years, men will still say,

'This was their finest hour'.
