The Last Battle Stephen Harding,2013-05-07 The true story of US German soldiers fighting side by side in the final days of WW II

[The Last Battle](#) Clive Staples Lewis,1980 Narnia where lies breed fear where loyalty is tested where all hope seems lost During the last days of Narnia the land faces its fiercest challenge not an invader from without but an enemy from within Lies and treachery have taken root and only the king and a small band of loyal followers can prevent the destruction of all they hold dear in this the magnificent ending to The Chronicles of Narnia

The Last Battle Cornelius Ryan,2010-02-16 The classic account of the final offensive against Hitler s Third Reich The Battle for Berlin was the culminating struggle of World War II in the European theater the last offensive against Hitler s Third Reich which devastated one of Europe s historic capitals and marked the final defeat of Nazi Germany It was also one of the war s bloodiest and most pivotal battles whose outcome would shape international politics for decades to come The Last Battle is Cornelius Ryan s compelling account of this final battle a story of brutal extremes of stunning military triumph alongside the stark conditions that the civilians of Berlin experienced in the face of the Allied assault As always Ryan delves beneath the military and political forces that were dictating events to explore the more immediate imperatives of survival where as the author describes it to eat had become more important than to love to burrow more dignified than to fight to exist more militarily correct than to win The Last Battle is the story of ordinary people both soldiers and civilians caught up in the despair frustration and terror of defeat It is history at its best a masterful illumination of the effects of war on the lives of individuals and one of the enduring works on World War II
