Their Last Tenko James Hartington Jones, James Home, 1989-01-01 **Prisoners of the Sumatra Railway** Lizzie Oliver, 2017-12-14 Prisoners of the Sumatra Railway is the first book to detail the experiences of British former prisoners of war POWs who were forced to construct a railway across Sumatra during the Japanese occupation It is also the first study to be undertaken of the life writing of POWs held captive by the Japanese during the Second World War and the transgenerational responses in Britain to this period of captivity This book brings to light previously unpublished materials including Exceptionally rare and detailed diaries notebooks and letters from the railway Memoirs from Sumatra including detailed recollections and post war statements written by key personnel on the railway such as Medical Officers and interpreters Remarkable original artwork created by POWs on Sumatra Contemporaneous photographs taken inside the camps Employing theories of life writing memory and war representation including transgenerational transmission Lizzie Oliver focuses particularly on what these documents can tell us about how former POWs tried to share preserve and make sense of their experiences It is a wholly original study that is of great value to Second World War scholars and anyone interested in 20th century Southeast Asian history or war and memory [Magic Knight of the Old Ways: Volume 3](#) Taro Hitsuji, 2022-08-30 After brilliantly performing in the interclass games and safely taking back Tenko from the clutches of Endea Alvin and the rest of the Blitze class continue to train and grow stronger As they accomplish the quests assigned to them by the academy the class is finally given recognition and Alvin s popularity as the prince grows further On the other hand while Endea is still sour from her previous defeat Flora calls the three strongest dark knights of the Dark Order of Opus and gives the command to kill Alvin s strongest defense Sid Blitze As danger slowly approaches them the Blitze class together with the three legacy classes start their combined training camp in the fairy world Just what kind of trials await them Find out in the third volume of Magic Knight of the Old Ways [Magic Knight of the Old Ways: Volume 2](#) Taro Hitsuji, 2022-05-31 A little over a month has passed since Sir Sid became the instructor knight of Alvin s class and during that time they ve endured Sid s hellish training and fought bravely defending the capital from the dragon s rampage However Blitze class must once again prove themselves as they take on the academy s other first year squires in the Interclass Games With the deck stacked against them and the class s very survival on the line can Alvin and the others come out victorious in one on one combat Meanwhile the ones behind the attack on the capital set their sights on Alvin s best friend Tenko who is plagued by dreams of her traumatic past and unable to catch up to the rest of her classmates The mysterious girl with the crown steps out of the shadows and uses Tenko to exact her vengeance on Alvin Everyone will be put to the test as Alvin s journey to the throne continues in volume two of The Magic Knight of the Old Ways [Children of the Camps](#) Mark Felton, 2011-06-13 The author of Guarding Hitler tells the truly heart rending stories of Caucasian and Eurasian children held captive inside Japanese internment camps The Japanese treatment of Allied children was as harsh and murderous as that of

their parents and military POWs but this whole episode has been overlooked Children were plucked from comfortable colonial lives and forced to mature hastily in terrible circumstances where survival became a daily game and where their lives were constantly threatened by disease starvation and physical abuse Many of these children were separated from their parents or they saw their families destroyed by the Japanese Most witnessed almost daily episodes of bestial violence that no child should ever see and the entire cumulative experience has had a deep and lasting effect into their adult lives They are among the last victims of Japanese aggression and even over sixty years later many carry the mental and physical scars of that atrocious episode The fate of Japan s military prisoners is now well known but the equally poor treatment handed out to the civilian internees and their children is a less familiar topic Many books on this subject focus on a particular part of the Japanese Empire Felton has taken a different approach and covers most of the Japanese Empire from Singapore and the rest of mainland China through Hong Kong Malaya Burma and on into the Dutch East Indies and the Philippines HistoryOfWar.org
