Their Promised Land:

The Halfpenny Hymn Book for Revival Services, Sunday Schools, and Home, Etc ,1861 *The Revival Tune Book* ,
The People's Hymn Book. Compiled by R. W. Richard WEAVER (Collier.),1863 *The Hymn Book for Youth. New Edition*

Wong,2024-08-27 Where is social justice in the Gospel Where is social justice in the Singapore Church These are the two
main questions this book seeks to explore Through the recount of the author s journey of discovering social justice in the
Bible on the streets of Singapore in the long history of the Singapore and global Church a survey of local Christians and
interviews with Christian justice seekers and pastors this book challenges the Singapore Church as God s Kingdom
community to reclaim biblical social justice as an integral facet of living the Gospel and manifesting God s Kingdom *The*
World's Progress Delphian Society,1913 **Israel and the Covenants in New Testament Times** Peter Williams, A Bible
student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final
generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has
overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is
therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples
directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become
part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way
Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel
Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open
minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as
both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book
deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In
the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus
mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the
teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture
repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant
also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood
without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its
implications are too awesome and fundamental to our eternal life prospects for that **Hymns for the Church and Home**
