**They're There on Their Vacation** Brian P Cleary, Jim Paillot, 2015-08-01 This story of a family's wacky road trip is a hilarious way for kids to learn about homophones School Library Journal Meet the Tuckabees They're going on vacation But not an ordinary vacation They always choose the wackiest weirdest destinations for their family trips This year their stops include visits to the world's largest underwear a narwhal petting zoo and the amazing Cheezie Popz factory No matter where this family goes they're sure to have tons of fun when they get there Come along for the ride and along the way learn to tell apart they're their and there These words sound alike but they're different in meaning Figure out how to keep them straight as you join the Tuckabees on their adventures An oddball family visits some interesting places on their vacation teaching readers about their there and they're along the way The bold colors in Paillot's digital illustrations make the artwork pop and over the top facial expressions match its exuberance Kirkus Reviews *They're Up to Something in There* Cari Meister, 2015-08 Series statement from publisher's website

**Wherever You Go, There They Are** Annabelle Gurwitch, 2017-04-18 A hysterically funny and slyly insightful new collection of essays from New York Times bestselling author Annabelle Gurwitch about her own family of scam artists and hucksters as well as the sisterhoods temporary tribes communities and cults who have become surrogates along the way When Annabelle Gurwitch was a child surrounded by a cast of epically dysfunctional relatives she secretly prayed that it was all a terrible mistake Maybe she was a long lost daughter of Joni Mitchell or the reincarnation of an ancient Egyptian princess A family of bootleggers gamblers and philanderers the Gurwitches have always been a bit vague on the ideal of a loving and supportive family Their definition includes people you can count on to borrow money from hold a grudge against or blackmail Thus began a lifetime of Annabelle seeking out surrogates If she's learned anything it's that no matter how hard you try to escape a crazy family you just end up in another crazy family With a wry wit and healthy dose of irresistible self deprecation Gurwitch asks Who and what makes a family in our modern society Is it our blood relations the people we work with the people we pray with our pets Gurwitch delves into her Shalom Y'all tribe's southern Jewish roots along with the confederacies she's joined by accident or on purpose and treats us to a glimpse of life with theater folk a band of cosplaying Furrries pet people a UFO cult and secular humanist fellowships while exploring the fragility of sisterhood and the spectacularly daunting search for the community where her aging parents will spend the last chapter of their lives By turns hilarious and deeply moving *Wherever You Go There They Are* is a must read for anyone who's even occasionally been frustrated by the people they share carbohydrate laden meals with every year
