Thematic Structure in Syntax

Edwin Williams

Thematic Structure In Syntax

Robin Clark

Thematic Structure In Syntax:

Thematic Structure in Syntax Edwin Williams, 1994 This important monograph summarizes, rethinks and extends a decade of the author's work on the role assignments, the ways in which the roles implied by verbs of a given type play out in terms of position and other syntactic functions. The study of theta roles and the locality of theta role assignment leads into many interesting areas of linguistic theory such as scope, the ECP, X-bar theory, binding theory and the weak crossover condition. Williams's reconstruction thus offers a systematic integration of a remarkably wide range of syntactic phenomena. Williams starts by outlining a theory of the clause, specifically of the distribution of Nominative Case and Tense. He then develops a formalism for the notion of external argument that is used throughout the rest of the book. Subsequent chapters review the issues surrounding the syntactic expression of the subject-predicate relationship, extend the notion of external argument to include NP movement and reanalyze the verb movement constructions as deriving from the calculus of theta roles rather than movement. The last chapter distinguishes referential dependence and coreference, showing that a general Leftness condition governs the former while the binding theory, restated in terms of theta relations, governs the latter. Edwin Williams is Professor of Linguistics at Princeton University.

Thematic Structure and Para-Syntax: Arabic as a Case Study James Dickins, 2020-03-05 Thematic Structure and Para-Syntax: Arabic as a Case Study presents a structural analysis of Arabic, providing an alternative to the traditional notions of theme and rheme. Taking Arabic as a case study, this book claims that approaches to thematic structure propounded in universalist linguistic theories, of which Hallidayan systemic functional linguistics is taken as an illustrative example, are profoundly wrong. It argues that in order to produce an analysis of thematic structure and similar phenomena which is not undermined by its own theoretical presuppositions, it is necessary to remove such notions from the domain of linguistic and semiotic theory. The book initially focuses on Sudanese Arabic because this allows for a beautifully clear exposition of general principles before applying these principles to Modern Standard Arabic and some other Arabic varieties. This book will be of interest to scholars in Arabic linguistics, linguistic theory and information structure.

Thematic Structure Iggy M. Roca, 2012-01-19 No detailed description available for Thematic Structure.

Thematic Structure [unclear], 2007-10-25 *Word Meaning and Syntax* Stephen Wechsler, 2015 This book examines the nature of the interface between word meaning and syntax, one of the most controversial and elusive issues in contemporary linguistics. It approaches the interface from both sides of the relation and surveys a range of views on the mapping between them, with an emphasis on lexical approaches to argument structure. Stephen Wechsler begins by analysing the fundamental problem of word meaning, with discussions of vagueness and polysemy, complemented with a look at the roles of world knowledge and normative aspects of word meaning. He then surveys the argument-taking properties of verbs and other predicators and presents key theories of lexical semantic structure. Later chapters provide a description of formal theories and frameworks for capturing the mapping from word meaning to syntactic structure, as well as arguments in favour of a

lexicalist approach to argument structure The book will interest scholars of theoretical linguistics particularly in the fields of syntax and lexical semantics as well as those interested in psycholinguistics and philosophy of language *Semantics - Lexical Structures and Adjectives* Claudia Maienborn, Klaus von Stechow, Paul Portner, 2019-02-19 Discover vital research on the lexical and cognitive meanings of words In this exciting book from a team of world class researchers in depth articles explain a wide range of topics including thematic roles sense relation ambiguity and comparison The authors focus on the cognitive and conceptual structure of words and their meaning extensions such as coercion metaphors and metonymies The book features highly cited material available in paperback for the first time since its publication and is an essential starting point for anyone interested in lexical semantics especially where it meets other cognitive and conceptual research

Projections and Interface Conditions Anne-Marie Di Sciullo, 1997 This collection of previously unpublished papers explores the implications of Chomsky's Minimalist framework for the modularity of grammar which simplifies the modular approach he took in his Government and Binding theory of grammar According to this theory autonomous grammatical components phonological syntactic morphological and semantic coexist and interact like building blocks using a given set of principles at given levels of representation Chomsky's assertions have sparked a great deal of theoretical debate especially with regard to the nature and interaction of each of the building blocks The contributors to this volume join the debate in a series of case studies that compare modularity in English French and Italian among other languages In the process they address such issues as the autonomy and applications of modules and their distribution in theory as well as the role of functional projects in their derivations *Projections and Interface Conditions* will interest researchers in any of the above mentioned languages as well as the large number of linguists working in the Chomskyan tradition **Lexical Categories and Argument Structure** Nadezhda Vinokurova, 2005 [Annual Workshop on Formal Approaches to Slavic Linguistics](#), 1995 *Classic and Contemporary* Irmengard Rauch, Gerald F. Carr, 1996-10-28 **TRENDS IN LINGUISTICS** is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by approaching language from an interdisciplinary perspective **TRENDS IN LINGUISTICS** considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language **TRENDS IN LINGUISTICS** publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing [Concise Encyclopedia of Semantics](#) Keith Allan, 2010-04-06 *Concise Encyclopedia of Semantics* is a comprehensive new reference work aiming to systematically describe all aspects of the study of meaning in language It

synthesizes in one volume the latest scholarly positions on the construction interpretation clarification obscurity illustration amplification simplification negotiation contradiction contraction and paraphrasing of meaning and the various concepts analyses methodologies and technologies that underpin their study It examines not only semantics but the impact of semantic study on related fields such as morphology syntax and typologically oriented studies such as grammatical semantics where semantics has made a considerable contribution to our understanding of verbal categories like tense or aspect nominal categories like case or possession clausal categories like causatives comparatives or conditionals and discourse phenomena like reference and anaphora COSE also examines lexical semantics and its relation to syntax pragmatics and cognitive linguistics and the study of how logical semantics develops and thrives often in interaction with computational linguistics As a derivative volume from Encyclopedia of Language and Linguistics Second Edition it comprises contributions from 150 of the foremost scholars of semantics in their various specializations and draws on 20 years of development in the parent work in a compact and affordable format Principally intended for tertiary level inquiry and research this will be invaluable as a reference work for undergraduate and postgraduate students as well as academics inquiring into the study of meaning and meaning relations within languages As semantics is a centrally important and inherently cross cutting area within linguistics it will therefore be relevant not just for semantics specialists but for most linguistic audiences The first encyclopedia ever published in this fascinating and diverse field Combines the talents of the world s leading semantics specialists The latest trends in the field authoritatively reviewed and interpreted in context of related disciplines Drawn from the richest most authoritative comprehensive and internationally acclaimed reference resource in the linguistics area Compact and affordable single volume reference format Thematic Theory in Syntax and Interpretation Robin Clark,2016-11-10 In recent years lexical argument structure in the guise of thematic roles has come to play an increasingly important part in syntactic theory The first part of this book first published in 1990 explores the interplay between thematic role assignment and movement processes with particular reference to the explanatory problem of nominalisation The second part explores the relationship between thematic roles and control Particularly close attention is paid to implicit arguments arbitrary control and adverbs of quantification A theory of control is presented which unifies obligatory and non obligatory control The theory of control furthermore generalises to account for the binding gaps in purposive clauses tough movement constructions infinitival clauses and other constructions which have typically been analysed as involving long distance dependencies This title will be of interest to students of linguistics □□□□ ,2003 *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures* Modern Language Association of America,2003 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 *Annual Workshop on Formal Approaches to Slavic Linguistics* Steven Franks, Frank Y. Thematic Structure In Syntax Introduction

In today's digital age, the availability of Thematic Structure In Syntax books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Thematic Structure In Syntax books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Thematic Structure In Syntax books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Thematic Structure In Syntax versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Thematic Structure In Syntax books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Thematic Structure In Syntax books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Thematic Structure In Syntax books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Thematic Structure In Syntax books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Thematic Structure In Syntax books and manuals for download and embark on your journey of knowledge?

FAQs About Thematic Structure In Syntax Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Thematic Structure In Syntax is one of the best book in our library for free trial. We provide copy of Thematic Structure In Syntax in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Thematic Structure In Syntax. Where to download Thematic Structure In Syntax online for free? Are you looking for Thematic Structure In Syntax PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for

online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Thematic Structure In Syntax. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Thematic Structure In Syntax are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Thematic Structure In Syntax. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Thematic Structure In Syntax To get started finding Thematic Structure In Syntax, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Thematic Structure In Syntax So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Thematic Structure In Syntax. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Thematic Structure In Syntax, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Thematic Structure In Syntax is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Thematic Structure In Syntax is universally compatible with any devices to read.
