Frostov's scary music is beaten by the tune of warmth a simple song sung with real hope and a desire to mend a broken heart. As the notes drift through the air they have power beyond magic. They give Glaciera hope for rebirth and warms up the harsh winter. At the end of their trip they find Glaciera reborn a paradise where the seasons are once again in sync and friendship is as warm as the sun. It shows that understanding and care can soften even the hardest hearts and that bravery, kindness and unity are traits that can get us through the worst winters. In the story of Lily, Theo and Zephyr there is a glimmer of hope that shows that no matter how long the winter spring will come when hearts are joined in purpose and love.

Chapter 1 Winter Will Never End

The beautiful world of Glaciera was home to all kinds of animals living together in peace and happiness. The sun warmed the ground and flowers of every color covered the fields. The days were sunny and birds singing and bees buzzing made a lovely sound. But one day the peace broke down and Glaciera's lively life was engulfed in a sudden never ending cold. This big change was caused by Frostov, the Frost Nephilim, a powerful and holy being that lived in the farthest most remote part of the frozen mountains. Frostov who was all by himself in the universe and wanted the world to mirror the frost on his soul cast a huge spell over Glaciera with a heart as cold as his icy realm. Frostov's magic changed the area. It got very cold which meant winter would never end. Rivers and lakes turned to ice and a chilling wind blew through the valleys. Soon a thick layer of snow covered the lush grass and the flowers that had made the area look so colorful before were no longer visible. People who lived in Glaciera used to enjoy the change of the seasons. Now the giant's magic had trapped them in an endless cold and they couldn't get out of it. The animals ran for safety because they weren't used to being so cold. The shift took place quickly and completely. In a beautiful area trees with snow on their branches stuck out like frozen guardians. Even though the sun rose every day Frostov's magic had created a veil of clouds that blocked the sun from reaching the area. This kept the area in a state of twilight where day and night were trapped and neither was fully lit. Glaciera was still beautiful but it was a beauty stuck in ice and frozen in time. It was a place of whispers and shadows where summer's warmth was a faraway memory. It was hard for people in Glaciera to get used to their new cold world. They could no longer get the crops they used to have in plenty and springtime was no longer exciting because they had to fight the cold all year long. Before houses were open to nice summer breezes but now they were protected from the constant frost. Fires were kept going all day and night to try to warm up the area. Frostov's spell of endless winter has changed Glaciera in ways that the people who lived there could not have imagined. It was time to see how long they could last in a world where the sun's warmth was just a dream. The torch of courage can be lit again even in the worst cases. Soon a little girl named Lily lit this spark again. Her heart was as warm as Glaciera's long gone summers. Along with her friends Zephyr the Snow Owl and Theo the Bear her journey would be a bright spot in the icy darkness as they worked to end the Frost Nephilim Giant's never ending winter and bring the seasons back into balance.

Chapter 2 How Lily Was Found

Lily was a lively little girl who lived in a loving small town in the middle of Glaciera's beautiful area. Like a beam of light Lily was always brave and interested. It was always warm and fun.

in the town with its cute cottages and friendly people It seemed like winter would never end with its thick cover of snow and strong winds as the days turned into weeks and then months Lily and the other people in the town noticed this The cold season had gone on for much longer than it should have turning the once jolly snowfalls into a constant cold that filled every home and heart in the town Lily s sharp eyes told her that this winter was different from most It was still outside and the trees branches were heavy with icicles instead of flowers The flowers that should have been blooming were covered by snow Rivers that used to be roaring with the sound of melting snow were now quiet because of thick ice With winter never ending the village s happy mood had been dampened by the darkness Lily made a brave choice because she cared about what she was doing and felt a strong connection to her house She wouldn t let the hard cold take away from Glaciera s beauty She was going on a quest to find out why winter wasn t finishing and how to get out of it Lily got ready for her trip with hope and determination in her heart She knew it would be hard to get there because the land beyond her town was big uncharted and covered in ice and snow She felt better when she thought about how the flowers were growing again and how happy her loved ones were that spring was here Lily understood that this trip wasn t just about her own goals it was also about restoring Glaciera s natural balance and the yearly harmony that had made her birthplace so amazing and fun
