international prestige That was on New Year s Day 1907 when TR who had just won the Nobel Peace Prize threw open the doors of the White House to the American people and shook 8 150 hands One visitor remarked afterward You go to the White House you shake hands with Roosevelt and hear him talk and then you go home to wring the personality out of your clothes The rest of this book tells the story of TR s irresistible rise to power During the years 1858 1901 Theodore Roosevelt transformed himself from a frail asthmatic boy into a full blooded man Fresh out of Harvard he simultaneously published a distinguished work of naval history and became the fist swinging leader of a Republican insurgency in the New York State Assembly He chased thieves across the Badlands of North Dakota with a copy of Anna Karenina in one hand and a Winchester rifle in the other Married to his childhood sweetheart in 1886 he became the country squire of Sagamore Hill on Long Island a flamboyant civil service reformer in Washington D C and a night stalking police commissioner in New York City As assistant secretary of the navy he almost single handedly brought about the Spanish American War After leading Roosevelt s Rough Riders in the famous charge up San Juan Hill Cuba he returned home a military hero and was rewarded with the governorship of New York In what he called his spare hours he fathered six children and wrote fourteen books By 1901 the man Senator Mark Hanna called that damned cowboy was vice president Seven months later an assassin s bullet gave TR the national leadership he had always craved His is a story so prodigal in its variety so surprising in its turns of fate that previous biographers have treated it as a series of haphazard episodes This book the only full study of TR s pre presidential years shows that he was an inevitable chief executive It was as if he were subconsciously aware that he was a man of many selves the author writes and set about developing each one in turn knowing that one day he would be President of all the people
