The Theology of the Gospel of John Dwight Moody Smith, 1995-01-26 D Moody Smith treats the theology of the Gospel of John in its narrative form and historical context both ancient Jewish and early Christian His work draws upon the most recent scholarly investigations of the Gospel's historical purpose and setting The major theological themes of the Gospel especially its christology are treated in relation to the context of the work since Johannine theology is not simply a by product of controversies that produced the Gospel but is rather related to them in significant ways As Professor Smith shows John marks an important watershed between Christianity and Judaism His study will thus serve equally well as an introduction to the question of the origin of John and as an introduction to its theology It also consistently pays attention to the relationship of the Gospel to other major New Testament witnesses as well as to its important influence upon the development of later Christian doctrine

The Word of Life Craig R. Koester, 2008-11-17 This accessible engaging work explores the major theological dimensions of John's Gospel including God the world and its people Jesus the crucifixion and resurrection the Spirit faith and discipleship Craig Koester's Word of Life is notable for its comprehensive treatment of themes and its close careful focus on the biblical text on the narrative itself In his introduction Koester provides a succinct overview of the Gospel and shows how disputes about John's theology throughout history have significantly shaped the church and wider society In

the course of his discussion such expressions as being born again and Jesus as the way which evoke both interest and uneasiness today become much clearer in the context of the Gospel as a whole Koester interacts with the best of current research and makes creative proposals about how to understand the many aspects of John's theology His clear and highly readable guide to the theology of John's Gospel will appeal to a wide range of readers *The Gospel of John* David F. Alan Culpepper, Carl Clifton Black, 1996-01-01 Every aspect of the study of John is represented in this book including the historical origins of the Johannine community the religious traditions in the gospel within and beyond early Christianity the Fourth Gospel's literary dimensions and theological concerns and the distinctive challenges presented by the Gospel's interpretation John the Theologian and his Paschal Gospel John Behr, 2019-02-07 This study brings three different kinds of readers of the Gospel of John together with the theological goal of understanding what is meant by Incarnation and how it relates to Pascha the Passion of Christ how this is conceived of as revelation and how we speak of it The first group of readers are the Christian writers from the early centuries some of whom such as Irenaeus of Lyons stood in direct continuity through Polycarp of Smyrna with John himself In exploring these writers John Behr offers a glimpse of the figure of John and the

celebration of Pascha which held to have started with him The second group of readers are modern scriptural scholars from whom we learn of the apocalyptic dimensions of John's Gospel and the way in which it presents the life of Christ in terms of the Temple and its feasts With Christ's own body finally erected on the Cross being the true Temple in an offering of love rather than a sacrifice for sin An offering in which Jesus becomes the flesh he offers for consumption the bread which descends from heaven so that incarnation is not an event now in the past but the embodiment of God in those who follow Christ in the present The third reader is Michel Henry a French Phenomenologist whose reading of John opens up further surprising dimensions of this Gospel which yet align with those uncovered in the first parts of this work This thought provoking work brings these threads together to reflect on the nature and task of Christian theology

The Gospel of John
Charles Raith II, 2017-03-16 The Gospel of John Theological Ecumenical Readings brings together leading Catholic Orthodox and Evangelical theologians to read and interpret John's Gospel from within their ecclesial tradition while simultaneously engaging one another in critical dialogue Combining both theological exegesis and ecumenical dialogue each chapter is uniquely structured with a main essay by a Catholic Orthodox or Evangelical theologian on a section of John's Gospel followed by two responses from theologians of the other two traditions The chapter concludes with a final response from the main author Readers are thus provided with not only a deep and engaging reading of the Gospel of John but also the unfolding of a rich theological ecumenical dialogue centered on an authority for all Christians namely the Gospel of John

The Gospel of John Paul L. Metzger, 2010-11-01 In the Resonate series the stories and insights of each book of the Bible are brought into conversation with contemporary voices of hope and lament In this volume we journey through the Gospel of John with Paul Louis Metzger who wrestles with the question of what happens when God who is love comes to town and takes up residence among us

The Gospel of John in Christian History, (Expanded Edition) J. Louis

Martyn, 2019-07-16 This collection of essays on John by J. Louis Martyn gathers four additional Johannine essays into a single volume augmenting the three published earlier in *The Gospel of John in Christian History* 1978 In addition to the essays published in the third edition of *History and Theology in the Fourth Gospel* 2003 these two volumes preserve for later generations the complete set of Martyn's published works on John In a timely way the publication of this volume follows the 50th anniversary of the publication of *History and Theology* 1968 which John Ashton regarded as the most important single Johannine monograph since the commentary of Rudolf Bultmann It also follows the 40th anniversary of the publication of his second Johannine book which serves as the core of the present volume From the Editor's Preface

Sacra Pagina: The Gospel of John Francis J. Moloney, 2016-03-18 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity's earliest days In *The Gospel of John* Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John's significance for

Christianity has been obvious from the time of Irenaeus. It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon. What sets this commentary on the Fourth Gospel apart from others is Moloney's particular attention to the narrative design of the Gospel story. He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus. Through this he demonstrates how the Gospel story articulates a coherent theology: christology and ecclesiology.

The Gospel of John Rudolf Bultmann, 1971 Jesus is the Christ Leon Morris, 1989-01-01 *Gospel of Glory* Richard Bauckham, 2015-08-11

Throughout Christian history the Gospel of John's distinctive way of presenting the life, works, teachings, death, and resurrection of Jesus have earned it labels such as the spiritual Gospel and the maverick Gospel. It has been seen as the most theological of the four canonical Gospels. In this volume Richard Bauckham, a leading biblical scholar and a bestselling author in the academy, illuminates main theological themes of the Gospel of John. Bauckham provides insightful analysis of key texts covering topics such as divine and human community, God's glory, the cross, and the resurrection, and the sacraments. This work will serve as an ideal supplemental text for professors and students in a course on John or the four Gospels. It will also be of interest to New Testament scholars and theologians.

The Theology of John W. R. Cook, 1979-01-01 The God of the Gospel of John Marianne Meye Thompson, 2001-10-09

While there are numerous studies of God in the Old Testament, the concept of God has largely been ignored as a subject of inquiry in contemporary New Testament theology. As this superb work by Marianne Meye Thompson shows, however, an understanding of the identity of God is central to the New Testament, particularly to the Gospel of John. Thompson here offers the first comprehensive study of the concept of God in John's Gospel. She shows that one must first grasp the importance of God to John before one can properly appreciate the Gospel's Christology and overarching message. By arguing that John is rightly understood to be a theocentric work, Thompson challenges the prevailing theory that John is primarily concerned with Christology. While Thompson uses traditional historical and exegetical approaches to the New Testament and ancient sources, her study is mainly theological in scope. She asks how John portrays God and how, after reading the Gospel, we ought to speak of the identity of God. Unlike many recent studies of John, this one does not try to reconstruct the history behind the text but rather tries to fully illumine the theological content of John's message. A seminal study with lasting implications for New Testament theology, *The God of the Gospel of John* will become a standard text for students of the New Testament.

The Culture of Theology John Webster, 2019-10-15
