

# The Land of Israel in Christian Theology

Reflections on the Holy Land  
from June 17-July 20, 2012

# Theology Of The Land

**Salim J. Munayer, Lisa Loden**

## Theology Of The Land:

**Theology of the Land** Leonard J. Weber, Bernard F. Evans, Gregory D. Cusack, 1987 Theology of Land Conference

**Jesus and the Land** Gary M. Burge, 2010-04-01 This accessible volume describes first century Jewish and Christian beliefs about the land of Israel and offers a full survey of New Testament passages that directly address the question of land and faith Respected New Testament scholar Gary M Burge examines present day tensions surrounding territorial religion in the modern Middle East helping contemporary Christians develop a Christian theology of the land and assess Bible based claims in discussions of the Israeli Palestinian struggle

Theologies of Land K. K. Yeo, Gene L. Green, 2020-12-24 The Crosscurrents series highlights emerging theologies and biblical interpretations of the Majority World and minoritized communities The first volume in the series elaborates theologies of land a theme often missing or ignored by the churches and theologians especially in the Global North In this volume four authors who represent Palestinian First Nations Latinx and South African communities examine the intricate relationship among land landscape migration and identity Together with a Malaysian Chinese the authors deliberate on the complex issues arising out of political domination as well as humanity's conquest and abuse of land that create unjust space landless people and the broken landscape of God's creation

From Land to Lands, from Eden to the Renewed Earth Munther Isaac, 2015-10-14 The land is an important theme in the Bible It is a theme through which the whole biblical history found in the Old and New Testaments can be studied and analyzed Looking at the land in the Bible from its beginnings in the garden of Eden this publication approaches the theme from three distinct perspectives holiness the covenant and the kingdom Through careful analysis the author recognises that the land has been universalized in Christ as anticipated in the Old Testament and as a result promotes a missional theology of the land that underlines the social and territorial dimensions of redemption

*The Land* Walter Brueggemann, 2002 The land was one of the most vibrant symbols for the people of ancient Israel In the land gift promise and challenge was found the physical source of Israel's fertility and life and a place for the gathering of the hopes of the covenant people In this careful treatment Walter Brueggemann follows the development of his theme through the major blocks of Israel's traditions The book provides a point of entrance both to the theology of the Old Testament and to aspects of the New Testament even as it illuminates crucial issues of the contemporary scene In this fully revised version Brueggemann provides new insights as well as updating the discussion notes and bibliography

**The Land is Mine** Norman C. Habel, 1995 Norman C Habel examines the theology of land as it is reflected in the Old Testament He identifies six separate ideologies in the Bible Royal agrarian theocratic ancestral household and immigrant This study has special pertinence for our times

*The Land of Israel in Bible, History, and Theology* Jacques Ruiten, Jacobus Cornelis De Vos, 2009 This book deals with many aspects of the land of Israel In the first part the emphasis is on descriptions of the land in Joshua and other books of the Hebrew and Greek Bible In the second part the focus shifts to the land in history and theology reception history of biblical texts dealing with the land archaeology of

Palestine and theological hermeneutical implications of taking the land traditions of the Bible seriously The result is a rich collection of articles on one of the main themes of the Old Testament a theme that has a fascinating although not always unproblematic reception history

**A Sense of Place** Geoffrey R. Lilburne,1989 The author asserts that responsible care of the earth means not only cleaning up the environment but also cleaning up ourselves Publisher

**The Land Cries Out** Salim J. Munayer,Lisa Loden,2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an innovative way to this important discussion

*The Theology of the Land in Amos 7-9* Robert Khuu Hnin Thang,2014-10-14 In the book of Amos the language about land is used extensively including terms and ideas such as Zion YHWH's bringing of Israel into the land references to various sanctuaries and places harvest and famine the relationship between the northern kingdom and Judah and references to the land of other nations However this subject of the land has never been studied as a theological topic in its own right but only as part of other themes This work follows a synchronic reading of Amos and employing textual literary and historical criticism the author carries out a careful theological analysis of the land Although the findings are set in the context of the entire book of Amos the study focuses on chapters 7-9 to explore the topic with closer detail

**Dreaming the Land** International Academy of Practical Theology. Meeting,2007 Dreaming the Land Theologies of Resistance and Hope is a theme that testifies to the contextual nature of practical theology This present volume contains a collection of essays with international contributions to practical theology In their original form these essays were presented at the seventh biennial conference of the International Academy of Practical Theology IAPT held at Brisbane Australia in June 2005 The dreaming and the land are both concepts central to the thinking of the aboriginal peoples of Australia The dreaming encompasses the creative and life giving forces which govern and express the lifeworld of these same people while the land is sacred space where the spirits of the ancestors of all human plant and animal life are represented The theme is the common thread in the first part of the book Here the search for Theologies of Resistance and Hope is related to experiences in the southern hemisphere to issues of the land as a concept for practical theology and to questions of human rights

*The Land* Walter Brueggemann,2002-08-29

**The Earth and the Land** Hendrik Koorevaar,M. J. Paul,2018 The land of Israel is a theological symbol It is connected to the carrying out of religious acts This

volume concentrates on the religious viewpoints especially from the Old and New Testament perspective The chosen approach is historic canonical Two additional chapters show the Jewish and Islamic viewpoints Holy People, Holy Land Michael Dauphinais, Matthew Levering, 2005-10 Offers an integrated theological vision of the Old and New Testaments that highlights the pattern of God's work through scripture **The Gospel and the Land of Promise** Philip A. F. Church, Tim Bulkeley, Tim Meadowcroft, Peter Walker, 2011-05-13 Today the land of promise is a spark in the tinder dry atmosphere of Middle Eastern affairs Events there continue to wield influence among peoples and in places well beyond the region itself This raises for Christians the acute theological problem of how to relate to the land of promise today and in light of the land of the Bible Our hope is that this volume of essays will contribute to a more informed and theologically coherent response to the Land of Promise It is offered here in the name of peace for all peoples in that place and among those who continue to look to her as a place of promise **God's People in God's Land** Christopher J. H. Wright, Wright Christopher, 2006-01-01 In recent sociological approaches to the Old Testament Christians have been finding unexpected resources for their ethical reflection and action relative to the modern world's pressing social and economic dilemmas This unique survey by Christopher Wright examines life in Old Testament Israel from an ethical perspective by considering how the economic facts of Israel's social structure were related to the people's religious beliefs Observing the centrality of the family in the social economic and religious spheres of Israelite life Wright analyzes Israel's theology of land the rights and responsibilities of property owners and the socioeconomic and legal status of dependent persons in ancient Israel wives children and slaves showing the mutual interaction between such laws institutions and customs and the nation's covenant relationship with God While primarily exegetical **God's People in God's Land** contains many useful insights for Christian social ethics Wright suggests how the ethical application of his findings might proceed as Christians with different theological perspectives and cultural contexts seek to work out the relevance of the Old Testament for today **Types of Pentecostal Theology** Christopher A. Stephenson, 2016-10 In this the first critical study of the major theologians of pentecostalism Christopher A Stephenson establishes four original categories that classify recent pentecostal theologians methodologies in systematic constructive theology **Jesus and the Land** Gary Burge, 2011-09-22 Jesus and the Land will help Christians to form a biblical view about modern day claims to the land in Israel Palestine Examining what the New Testament says about the idea of land being holy this guide is accessible and non technical **The Land of Promise** Philip Johnston, Peter W. L. Walker, 2000 **Waiting for the Land** Arie C. Leder, 2010 How should Israel's waiting for her land shape our reading of the Pentateuch and how should this shape the hope of the church today Waiting for the Land is the first book length exploration of these questions and treats the Pentateuch as a coherent and progressive story Book jacket

This is likewise one of the factors by obtaining the soft documents of this **Theology Of The Land** by online. You might not require more get older to spend to go to the book opening as skillfully as search for them. In some cases, you likewise accomplish not discover the pronouncement Theology Of The Land that you are looking for. It will very squander the time.

However below, subsequently you visit this web page, it will be therefore categorically easy to acquire as skillfully as download lead Theology Of The Land

It will not put up with many time as we tell before. You can do it while be active something else at house and even in your workplace. fittingly easy! So, are you question? Just exercise just what we present under as skillfully as review **Theology Of The Land** what you taking into consideration to read!

### **Theology Of The Land Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Theology Of The Land PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Theology Of The Land PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Theology Of The Land free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
