Wild Religion David Chidester, 2012-04-23 This book examines South Africa's political journey of the late twentieth and early twenty-first century in the context of religious diversity and the recent revitalization of indigenous religion and rituals

Theosophical Forum and the Theosophical Path and Lucifer, 1937

The Theosophical Path Katherine Augusta Westcott Tingley, Gottfried Purucker, 1935

Talbot Mundy, Philosopher of Adventure Brian Taves, 2014-11-26 This critical biography chronicles both the actual travels and the philosophical meanderings of Talbot Mundy, one of the pioneers of the fantasy and adventure genre. Less celebrated than his contemporaries Rudyard Kipling and Joseph Conrad, Mundy was no less gifted when it came to the literary portrayal of faraway lands. He was one of the first Western writers to show an appreciation of Eastern culture, and his writing became an outlet for his radical ideas on religion and philosophy. At the age of sixteen, Mundy left his native England to begin his life of adventure, a journey that took him from India to the Middle East to Tibet and finally to America, which became his adopted home. The American spirit of adventure matched Mundy's own, and it was here that he found a true audience for his work. This book explores Mundy's oeuvre, much of it set in exotic locales through which he himself had traveled, and considers both his novels and his lesser-known writing, as well as his film and radio work. Books such as *Rung Ho King of the Khyber Rifles*, *Caves of Terror*, *Purple Pirate*, and *Tros of Samothrace* are discussed and placed within the framework of Mundy's life and philosophy. The final chapter evaluates the enduring value of his writings. Appendices include a comprehensive list of Mundy's works and a chronological listing by their original publication dates.

Politics Unseen Ellen Macfarlane, 2025 In *Politics Unseen*, Ellen Macfarlane radically reframes the pure photographs of California art photography society Group f 64, known for depicting Western landscapes, fruits, and vegetables, flowers, and faces. By foregrounding f 64 members and their prints, alliances across commercial, political, and artistic domains, the book shatters entrenched understandings of the group as disinterested in contemporary events and unseats conceptions of its prints as icons of modernist purity. Instead, *Politics Unseen* argues that the politics of f 64's photographs become visible when interwar ideas about purity in the areas of eugenics, racial essence, nutrition, colonialism, and horticulture are interrogated. Ultimately, *Politics Unseen* alters perceptions not only of f 64 but also of what constituted a political image in 1930s America.

Copper Creek Jerry M. Rowe, 2023-05-02 *Copper Creek* is the life story of Martin E. Tew, war hero in Isadora, Philippines; poet; rescue hero of two pilots in rough mountain terrain at the age of 74; philanthropist for Greek war survivors; owner of the Copper Creek mine in Arizona; owner of the Monte Bonito Ranch in Arizona; attorney, and he also spoke six languages. It includes facts about the mysterious Sibley Castle and everyday life in Copper Creek.
