Michael Ashcraft,2002 In considering a group that identified with Victorian American culture and its anxieties while adhering to an occult worldview that most of their contemporaries found strange if not dangerous the book explains why these middle class Americans found Theosophy so persuasive and why they left family and friends behind to take up residence at this California settlement BOOK JACKET *Theosophical Quarterly* ,1924 The Secret Doctrine of the Jews Boaz Huss,2025-10-01 A comprehensive exploration of the Jewish adherents of the Theosophical Society and their impact on modern Jewish culture and the development of modern forms of Kabbalah The Secret Doctrine of the Jews offers the first comprehensive study of Jewish followers of the Theosophical Society the highly influential global esoteric movement that was established in New York in 1875 The book presents a detailed examination of the major Jewish followers of the Theosophical Society and the formation of Jewish lodges and associations within its framework It discusses the endeavors of Jewish theosophist to reconcile their Jewish identity with their theosophical convictions and to create new theosophical inspired interpretations of Kabbalah The book aims to underscore the role of Jewish theosophists within the Theosophical Society and explore their impact on modern Jewish culture particularly their influence on the development of modern perspectives and forms of Kabbalah The monograph makes significant contributions to research in several areas including the global history of the Theosophical Society modern Jewish religious movements and the development and dissemination of modern forms of Kabbalah during the twentieth century The O.E. Library Critic ,1920 **The New Akashic Records** Cheryl Trine,2010 Trine presents an in depth yet easily understood history of the Akashic Records and uncovers the ancient connection to divine memory judgment and destiny as the Book of Life She reaches into Hinduism Buddhism and Tibetan Bn to understand the Akasha From Blavatsky to Krishnamurti: "It is Finished" Al Boag,2025-09-16 This book highlights some important continuities as well as differences between the teachings of Helena Petrovna Blavatsky 1831 1891 co founder of the Theosophical Society in 1875 and Krishnamurti Jiddu 1895 1986 the Theosophist who was trained to be the World Teacher Until now very little has been written of the importance to Blavatsky of an esoteric eschatology and Christology and their relation to the secret core of her Path of Initiation the practice of an occult breathless meditation Similarly scholarly research has overlooked the evidence that Krishnamurti eviscerated the secret core of Blavatsky s teaching with his own esoteric interpretation of it which exists in his published work as the camouflaged core of his teaching Offering a fresh appraisal this work draws on careful exploration of the primary source material of Blavatsky and Krishnamurti as well as his Theosophical mentors Annie Besant 1847 1933 and Charles Webster Leadbeater 1854 1934 It will be of particular interest to students and
