Moreno Dal Bello,2015-08-12 For many people the doctrine of election is one that just does not make sense for it appears to contradict the teachings that God is Love and no respecter of persons It is even seen as a doctrine which shuts many people out of heaven who desired entry Thus it is concluded that the doctrine of election is just not fair that God would be unjust to select only some people to show His grace and mercy towards in granting the gift of salvation and simply leave the rest to themselves or worse still consign them to hell The real reason behind such a conclusion is the flawed foundation upon which these notions are based a foundation which says that man is not dead in sin as a result of the Fall but is merely a wounded soul with the ability and desire to seek and choose God intact The concept of free will stands in eternal opposition to the doctrine of free grace **Documents Communicated to the Senate and House of Representatives** ,1896 **Annual Report** ,1921 **Light** ,1928 The Student's Journal ,1889 **The Motorman and Conductor** ,1905 Vols 19 include the Proceedings of the Association s 12 27th annual conventions **There is No Death** William B.
