These I Have Loved:

But the Greatest of These Is Love Edward M. Vigeant, 2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love

Legacy of Love These are My Thoughts Kim Harper Crane, 2007-02 The writing of the stories in this book has been my life raft in the biggest storm of my life A storm that may very well have pulled me under without my journey into the past keeping me on an even keel This book has so many things written into each story They are written with love and some of the happiest memories of the past that I can ever begin to recall Some with sadness for what once was but will never to be again I relate to the people that have read my stories in the small town news paper of which they have been published because I am one of them I cannot tell you how many people have told me how the things I have written have also flooded their heart and souls with memories they thought were long since forgotten I am also in the process of writing a novel titled *The Good Old Boys Club Corruption in Small Town America* I am hoping to have it completed by the end of 2007 I am presently compiling another book of the *Legacy Of Love* stories One half of those stories will have appeared in the paper and the other half will not have been read until the book is published I think every one deserves a surprise

Beyond These Voices Mary Elizabeth Braddon, 1800 **The Roman Missal adapted to the use of the laity**, 1899 **The Holy Bible, Containing the Old and New Testaments**, 1929

Century Readings in the Nineteenth Century Poets Frederick Erastus Pierce, 1929 **Liturgy Or Book of Worship, for the Use of the New Church Signified by the New Jerusalem**, 1872 **The Comparative 1st Century Aramaic Bible in Plain English (8th ed.) & King James Version New Testament with Psalms and Proverbs** Rev. David Bauscher, 2011-01-14 This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament Aramaic was the language of Jesus and his countrymen of 1st century Israel in an English prose translation of The Peshitta New Testament displayed in two columns one has the King James Version on the left and the other has the translation of the

Aramaic Peshitta on the right This translation is derived from the author s Aramaic English Interlinear New Testament Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua Jesus in ancient Aramaic as He originally spoke them in a literal and readable English rendering 659 pages in 6x9 paperback The parallel Psalms and Proverbs of both versions are included after the NT Nicene and Post-Nicene Fathers Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author s personal agenda or bias Also included in this volume are a selection of Augustines sermons **The Complete Works of C. H. Spurgeon, Volume 39** Spurgeon, Charles H., Volume 39 Sermons 2289 2341 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither

high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon The Complete Works John Bunyan,1877 *A Commentary on the Psalms: Psalm CXIX. to Psalm CL. with index of Scripture references.* 1874 John Mason Neale,Richard Frederick Littledale,1874 The popular educator Popular educator,1872 *Lives of the Most Eminent Painters, Sculptors, and Architects* Giorgio Vasari,1897 *The Granite Monthly* ,1890 **Verba Verbi Dei; the words of ... Jesus Christ, harmonized by the author of 'Charles Lowder'**. Maria Trench,1903 **Wilson's Tales of the Borders, Etc** John Mackay Wilson,1877 *Religious Reconstruction* Minot Judson Savage,1888 **The World's Work** ,1912 A history of our time **Tales from Town Topics [and] "Too Many Maidens"** ,1901
