## Through Our Own Eyes:

**The NEW YOGA - TANTRA REBORN (the SENSUALITY and SEXUALITY of OUR IMMORTAL SOUL BODY)** Peter Wilberg, 2007 What would it be like to know that you are indeed immortal that your physical body is but the outward form taken by your own eternal inner form or soul body What would it be like to dissolve the bodily boundaries that seem to separate you from the souls of others learning to feel your soul in their body and their soul in yours What would it be like to see and feel your partner as the embodiment of a god or goddess and to experience the bliss of soul body sex an intensely sensual intimacy and intercourse with their divine soul body The New Yoga is a yoga of the soul body that body with which we can intimately sense feel and touch others independently of physical contact The New Yoga is also Tantra Reborn giving rebirth to the tantric tradition known as Kashmir Shaivism through a wholly new understanding of its sexual symbolism and of tantric sex seen not merely as a heightening or spiritual elevation of bodily sex but as an expression of the sublime sensuality and divine sexuality of the soul and its body Tantra Reborn explains in detail the anatomy nature and powers of the soul body its relation to gender and sexuality to tantric initiation and to the traditional tantric symbolism of Shiva Shakti and Kundalini It also offers a practical guide to experiencing the bliss of soul body intercourse through new and original forms of tantric pair and partner meditation
