Frontiers in Question Daniel Power,Naomi Standen,1999-04-19 We are used to the idea that each state has clearly defined borders which cleanly separate different nationalities from one another What though were frontiers like before the evolution of the modern nation state The nine essays in this book seek to answer this question across a thousand years of Eurasian history

Frontiers in Question Daniel J. Power,Naomi Standen,1999-04-15 The nine essays in this book seek to answer the questions of what made a frontier between the ancient and modern eras how people imagined their frontiers and why historians have sometimes had very different ideas of what these frontiers were like The collection spreads across much of Europe and Asia familiar frontiers in Western Europe and around the Mediterranean Sea and includes examples from China Mesopotamia and Lithuania Ranging from the eighth to the seventeenth centuries the essays challenge us to rethink our modern notions of frontiers as neat lines intended to divide one state from another because frontiers in the past were often far more complex
