Tiger Men Barry Petersen,1994 In 1963 Barry Peterson left Australia for Vietnam to train local tribes to defend their villages against the Vietcong This is the story of those Truong Son or Tiger Men who became the most respected and feared native forces in South Vietnam But it is also the sad story of the defeat and destruction of the Montagnard culture and way of life as Vietnamese and American leadership ultimately turned its back on its loyal supporters

The People of Palestine Elihu Grant,1921

Conspiracy in the Heartland J. Wayne,2010-09-21 The socialist agenda is being crammed down the throat of Americans in the veiled political movement called progressivism that has spanned many generations The hated despots in power have conspired to infect the entire nation with PC political correctness poison brewed by the witches of the Left Coast Great Flakes and North Least However one man is immune to their poison because he has patriotic blood This man begins a movement to counteract the psychos in power finding love a revival of the true American spirit and a course to take well into the future for all freedom loving people This story brings to life some of the principles upon which the USA is built and a hope that the story line will bear witness to the reader One must answer the question after reading is it a nice little fairy tale or is it a fore tell of events to come if America continues on the course set by the polecats in Washington
