Tiger The Lurp Dog:

Tiger the Lurp Dog Kenn Miller,2013-02-26 A landmark novel of the Vietnam War The men of the Long Range Reconnaissance Patrol Stagg Wolverine Mopar Marvel Kim and Gonzales are commando style soldiers called Lurps for short Five men completely dependent on one another Proud to the point of arrogance They re joined by Tiger their mascot a flea bitten scavenging stray or dust dog a sneak and a coward lazy and haughty But like his masters in this dirtiest of all wars a survivor When their buddies on Team Two One disappear the Lurp team members have to fight their own brass to go on a mission to find them And suddenly a grueling war becomes an unimaginable nightmare [The Encyclopedia of the Vietnam War](#) Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition [The Encyclopedia of the Vietnam War A Political Social and Military History](#) adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO [American Literature in Transition, 1980-1990](#) D. Quentin Miller,2017-12-28 History has not been kind to the 1980s The decade is often associated with absurd fashion choices neo Conservatism in the Reagan Bush years the AIDS crisis Wall Street ethics and uninspired television film and music Yet the literature of the 1980s is undeniably rich and lasting [American Literature in Transition 1980-1990](#) seeks to frame some of the decade s greatest achievements such as Toni Morrison s monumental novel *Beloved* and to consider some of the trends that began in the 1980s and developed thereafter including the origins of the graphic novel prison literature and the opening of multiculturalism vis vis the canon wars This volume argues not only for the importance of 1980s American literature but also for its centrality in understanding trends and trajectories in all contemporary literature against the broader background of culture This volume serves as both an introduction and a deep consideration of the literary culture of our most maligned decade [Journal of Special Operations Medicine](#) ,2005 [The Leatherneck](#) ,1989 [Encyclopedia of the Vietnam War \[3 Volumes\]](#) Spencer Tucker,1998-09-18 The largest and most comprehensive study to date of one of the longest and most divisive conflicts in U S history ABC CLIO presents the largest and most

comprehensive study to date of the wars in Vietnam This authoritative three volume masterwork details early U S involvement in Vietnam and brings Vietnamese history to the present with discussions of the Socialist Republic of Vietnam from 1975 through 1997 Students and researchers will find that this comprehensive work includes more coverage of diverse topics and more information on individual Vietnamese and American participants and earlier relevant periods in Vietnamese history than any other encyclopedia of its kind Over 900 A Z entries with extensive cross references after each entry Biographies of key Vietnamese and American participants 200 primary source documents 150 illustrations and 22 maps
